Los Angeles Unified School District

**DISTRICT AFFILIATED
CHARTER SCHOOL
RENEWAL PETITION
APPLICATION
GUIDE
for
2020 - 2021**

January 5, 2021

Dear Charter School Renewal Team:

Thank you for your interest in continuing to operate a District affiliated charter school authorized by the Los Angeles Unified School District (“LAUSD” or “District”). As stated in our Board of Education’s *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* when the LAUSD Board authorizes and oversees a charter school, it establishes a relationship to advance its vision and mission and to accelerate gains in academic achievement and accountability for all of its students and public schools.

The mission of the Charter Schools Division is:

The LAUSD Charter Schools Division fosters high quality educational opportunities and outcomes for students in the greater Los Angeles community through exemplary charter public school authorizing, oversight, and sharing of promising practices so that all students maximize their potential.

In order to achieve our mission, we are guided and energized by our evolving core values:

We believe that our success depends on:

- ❖ *Making decisions that put the interests of students first.*
- ❖ *Serving with high expectations, integrity, professionalism, and commitment.*
- ❖ *Employing authentic, responsive, and effective leadership and teamwork.*
- ❖ *Continuously learning as a dynamic organization.*
- ❖ *Building and sustaining a healthy workplace culture where high performance, diversity, and creativity thrive.*
- ❖ *Developing productive relationships with our charter schools and all stakeholders.*

An approved charter is the foundational document that directs and guides a charter school’s operations and embodies the charter school’s commitment to the public to provide a high-quality educational opportunity to the community it serves. In fulfillment of our mission, and consistent with our core values, the Charter Schools Division will recommend to the LAUSD Board of Education only those renewal petitions that are clear, coherent, comprehensive, and compelling, and that will be implemented by a strong team.

This application guide is designed to provide you with clear information and guidelines as you develop and prepare your renewal petition and supporting documentation. It provides specific information regarding the LAUSD charter school renewal petition application requirements and an outline of what the District considers to be a “reasonably comprehensive” petition. Please make sure to review the *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* and all of the other resources available on our website that may help you ensure that your application presents the highest quality charter school renewal petition application possible.

Again, thank you for your hard work in service to the students and families of the Los Angeles Unified School District. Please do not hesitate to contact the Charter Schools Division at [\(213\) 241-0399](tel:2132410399) if you have any questions about the renewal petition application process.

Sincerely,

José Cole-Gutiérrez

INTRODUCTION

The Charter Schools Division (CSD) has prepared this District affiliated charter school renewal petition application guide in order to assist petitioner teams in gaining a clear understanding of the required components of a renewal petition application that satisfies the statutory requirements, i.e., a petition that can be deemed to be educationally sound, reasonably comprehensive, and likely to be successfully implemented. We encourage petitioner teams to review CSD guidance both prior to and during the development of their renewal petition applications. Teams should also use it to review the renewal petition application before making an intake appointment with the CSD. Petitioners should also review and refer to the *LAUSD Policy and Procedures for Charter Schools* (“Policy”) approved by the Board of Education on August 11, 2020. This guide serves as a supplementary tool to the Policy.

Please note: This guide applies specifically to District affiliated charter school renewal petition applications. If you are interested in applying to renew an existing independent charter school, to request material revision of an existing charter, or to open and operate a new independent or District affiliated charter school, please see the other resources available on our website (<https://achieve.lausd.net/charter>) that provide guidance specific to those purposes.

IMPORTANT NOTE REGARDING MATERIAL REVISION DURING THE RENEWAL YEAR: In preparing a renewal petition application, most schools make changes to their charters to reflect current practices. As long as any proposed changes are non-material, they can be incorporated into the renewal petition application. Some proposed changes to a charter, however, may be deemed “material” such as the following:

- Expansion to one or more additional sites (requires Community Impact Assessment) ¹
- Change in location/address outside the community ²
- Addition or reduction of grades or grade levels served (expansion of additional grade levels requires a Community Impact Assessment)
- Increased enrollment:
 - For schools occupying LAUSD facilities, an increase above the enrollment which could impact the usage of the site
- Changes to admission preferences or procedures³
- Changes to the instructional and/or education model or design, other than changes

¹ Refer to the *Independent Charter Schools New Petition Application Guide* for additional information regarding Community Impact Assessment requirements

² The identified geographical area will be based on the LAUSD Community of Schools (a group of schools from Pre-K through 12th grade as identified by the District that is centered around a neighborhood, working to support students, school, and families in the community and/or school feeder patterns. Constructs such as school feeder patterns, Zones of Choice, and/or other operative District terms may be considered, as programmatic updates occur and neighborhoods within a three-mile radius from the location identified by the petitioners of the proposed move). Any change in location or request for additional sites must be supported by documentation that the proposed location complies with all applicable building and safety requirements.

³ Requires the LAUSD Board to approve at a public hearing (Ed. Code, §47605(e)(2)(B)(i).)

required by law, including changes, or adding a nonclassroom-based program.

Any charter school that plans to seek material revision of its charter must submit a request for material revision to the CSD, **separate and apart from the renewal petition application**. The renewal application and the request for material revision will be reviewed and recommended separately for Board action.

A charter school applying for renewal may choose to submit its request for material revision at the same time as it submits its renewal petition application, but the two submissions will still be processed as two distinct proposed Board actions. ***A charter school in its renewal year that anticipates requesting a material revision during the school year should contact the CSD administrator assigned to the school well in advance of scheduling an intake appointment for the submission of the renewal petition application.*** The CSD administrator will work with the charter school to ascertain whether the proposed change amounts to a “material revision” that requires the submission of a separate request. Please see the current *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* and other resources available on the CSD website for additional information regarding material revision of a charter.

RENEWAL

The criteria for renewal establish transparent expectations for charter school performance that apply to charter schools both during the renewal review process and throughout the term of the charter. The CSD will holistically evaluate charter schools pursuant to the Charter Schools Act through the lens of the criteria for renewal over the term of the charter and through the CSD’s processes for ongoing oversight. A charter school should also conduct its own assessment on an ongoing basis to monitor performance and make improvements. During the final year of the charter term, the CSD communicates with each charter school regarding its progress towards renewal and any concerns that the CSD has at that time that the charter school should address prior to renewal. Therefore, a charter school approaching renewal should have a clear understanding of its status regarding renewal eligibility. Please refer to the *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* for additional information which includes resources for petitioners, renewal application and timelines, criteria for renewal and grounds for nonrenewal.

Resources for Petitioners

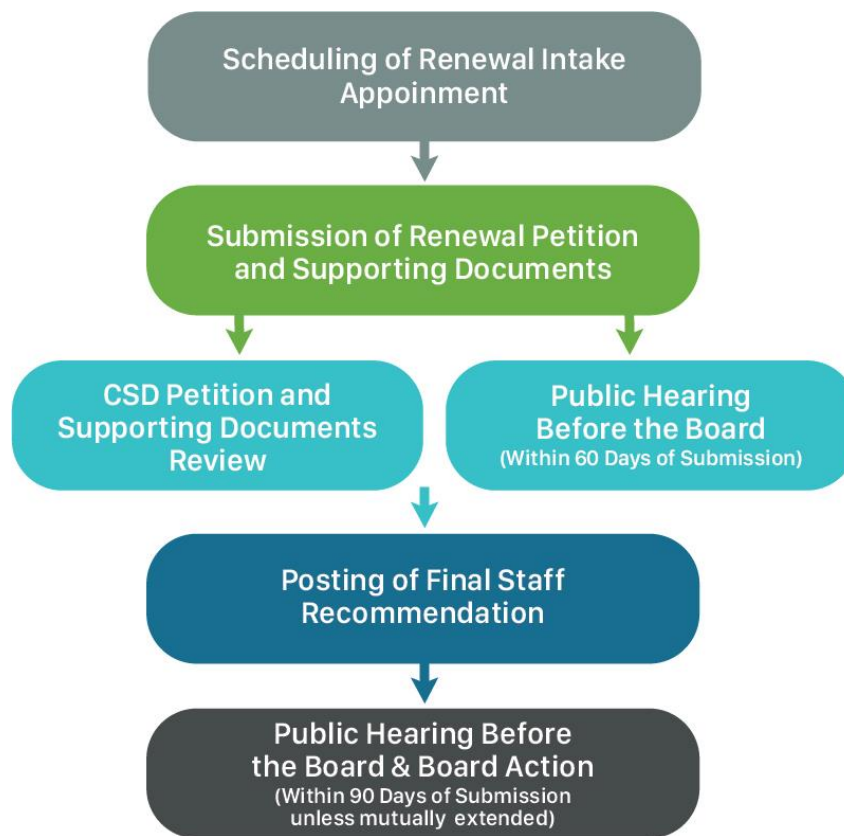

Petitioners should review the resources for petitioners on the CSD website (e.g., *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)*, Renewal Petition Application Intake Checklist, and Federal, State, District Required Language (FSDRL)) to gain a clear understanding of the required elements and the information needed in the renewal petition application material that satisfies the statutory requirements of the petition and renewal provisions in the Charter Schools Act.

Annual Oversight Visit in the Renewal Year

By statute, the District must visit each of its authorized charter schools at least once per school year. In order to ensure District staff considers the most recent information and evidence available in making its renewal recommendations, the CSD endeavors to conduct its annual oversight visits to District affiliated charter schools seeking renewal prior to Board action on their renewal petitions. For further information regarding the renewal oversight visit process and schedule, please contact the CSD administrator assigned to the specific charter school.

Board Benchmarks

From time to time, in the event that District staff has determined that a charter school merits an approval recommendation but nonetheless has demonstrated inadequate performance in one or more key areas, staff's recommendation of approval on the renewal petition may include proposed Board benchmarks. Such proposed benchmarks typically require action by the charter school as well as additional CSD monitoring and periodic reporting to the Board of Education during the term of the charter. If a charter school has a current benchmark(s), it will be reviewed as part of the renewal process.

Renewal Petition Application Review Process

For a comprehensive description of the renewal petition application review process, including information regarding timelines, roles, and the steps of the process, please see the LAUSD Board of Education-approved *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* available on the CSD website.

Notification and Intake Appointment

When the charter school, in consultation with Local District staff, deems that it is ready to submit its renewal petition application, it must notify the CSD administrator assigned to the school and provide complete contact information regarding the lead petitioner(s) designated by the school’s local governing council. A CSD team member will contact the lead petitioner to schedule a petition intake appointment. Ideally, affiliated schools should submit after the winter break. Please note that only the submission of a **complete petition application** accepted for review begins the statutory timeline.

Lead Petitioner Designation: The CSD encourages District affiliated charter schools to designate two lead petitioners, one of whom must be the school principal. Designation of a second lead petitioner will ensure that the school is able at all times to engage fully in the renewal petition review process.

CONTENT AND FORMAT OF PETITION APPLICATION

This section provides information regarding both the content and format of the required documents that must be submitted as part of an LAUSD renewal petition application. In addition to general requirements, the guide provides document-specific guidance as well.

GENERAL INFORMATION

BINDER

At the intake appointment, the petitioner team must bring and be ready to submit a three-ring binder that contains both paper and electronic versions of the documents to be submitted. **In the event the intake appointment is done remotely, the petitioner must upload documents into a designated Dropbox. A file should be created that says “Renewal Petition Intake” plus the date of submission.** Within the file, there should be subfiles indicative of the Tabbed Dividers. The binder must include the following items:

1. Cover Page on the front of the binder that includes the full and accurate name of the charter school and the date of submission
2. Spine Label on the side of the binder that indicates the name of the charter school
3. Tabbed Dividers that correspond to the names and order of the numbered items (#1 - #6) on the “Affiliated Charter School Renewal Petition Application Intake Checklist”
4. Application Documents that are in final format (i.e., without tracked changes or highlighting), in a readable font, and organized in accordance with the tabbed dividers

NOTE: All documents in the binder will be scanned upon submission; please do not include Post-Its, paper clips, sheet protectors, staples, or similar extraneous materials in the binder.

PETITION APPLICATION SIZE

Please try to limit the total size of your petition application to no more than 2 MB. (In particular, please minimize the number of graphics and consider eliminating photographs, which are the two primary elements that result in large files.) The CSD must be able to send the application documents via electronic mail (email) to various District staff for their review, to the lead petitioner during the *Revisions* step of the review process, and to the CDE, when necessary.

CURRENT AND ACCURATE INFORMATION AND DOCUMENTS

As a matter of course, things change, and charter schools continue to evolve during the terms of their charters. The renewal petition application should reflect this change and evolution. Therefore, please ensure that all documents, data, research, and other information provided in the petition application are current and accurate versions and

representations. Please provide standard citation format to all external sources of research, information, websites, and data presented in the application documents. Be sure to adhere to all copyright requirements. All renewal petition applications must include current documentation, including the most recent data available. Please also see the note above regarding material revision.

CONSISTENCY WITH DISTRICT REQUIRED LANGUAGE

Please ensure that the provisions of all documents provided in the petition application, including the petition itself, are consistent with and not duplicative of the most current approved and posted “Federal, State and District Required Language” (FSDRL). See the FSDRL highlighted in gray within the “Affiliated Renewal Petition Template” available on the CSD website. Please also ensure that all documents are internally consistent and consistent with each other

SPECIFIC PETITION APPLICATION DOCUMENTS

NOTE: In addition to the guidance provided below, please refer to and use the “Affiliated Charter School Renewal Petition Application Intake Checklist” to guide preparation of a complete renewal petition application. At the intake appointment, CSD staff will use the intake checklist to determine whether the petition application is complete and can be accepted for review.

TAB 1: CHARTER SCHOOL RENEWAL PETITION (ELEMENTS 1-15)

General Format Requirements

- ❖ Use of Template/MS Word Format: This document must use the “Affiliated Renewal Petition Template” provided by the CSD and must remain in MS Word (2007 or later) in its original font.
- ❖ Page Breaks Between Elements: Please insert page breaks before the start of each Element of the petition.
- ❖ Federal, State and District Required Language: Please leave intact all FSDRL which is highlighted in gray, throughout the petition document.

NOTE: This year’s template is presented as an unlocked MS Word document. CSD staff will be using other standard methods (e.g., the MS Word compare function) to help ensure that the FSDRL and other fixed petition elements remain unchanged throughout the petition process.

General Content Requirements

A petition presents a “sound educational program” (refer to *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)*) and provides a “reasonably comprehensive” description of the fifteen (15) required elements. It must be clear, coherent, and internally cohesive and consistent.

- ❖ Template with FSDRL: The petition must be prepared using the template for District affiliated charter school renewal petitions. The petition template has been designed to be as user-friendly as possible. It pre-populates the petition document with the requisite title page, table of contents, element headings, and subheadings within the elements, as well as the FSDRL, which is highlighted in gray. **All of these prepopulated provisions must remain intact as presented in the template.**
- ❖ School-Specific Provisions: The petition template highlights in yellow all of the sections in which the school is expected to insert school-specific petition provisions. These sections are located in Elements 1, 2, 3, 4, 8, and 14. **Please do not change the order, delete any section, or insert any additional sections into the petition, unless specifically directed (e.g., instructions for constructing complete LCFF table).** Please do not provide a separate introduction in the petition; the school will provide an examination of its record of performance within the “Community Need” section of Element 1.
- ❖ Purpose: Please review and ensure that your petition (Elements 1-15) addresses the statutory purpose(s) of each element as set forth in Education Code § 47605(b)(5). Unless expressly required in this guide, please avoid addressing topics that appear to fall outside the scope of these purposes.
- ❖ Federal, State and District Required Language: Please make sure to use the current Affiliated Renewal Petition Template, including the **current** FSDRL. **Please ensure that the other provisions of the petition do not duplicate or conflict with the provisions of the FSDRL.**
- ❖ Appendices: **Please do not include any appendices in the petition.** A reasonably comprehensive petition that presents a sound educational program inherently will address all critical matters in the petition proper.

The Fifteen Charter Elements

Element 1: The Educational Program

“The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.” (Ed. Code § 47605(c)(5)(A)(i).)

“The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.” (Ed. Code § 47605(c)(5)(A)(ii).)

“If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the “A” to “G” admissions criteria may be considered to meet college entrance requirements.” (Ed. Code § 47605(c)(5)(A)(iii).)

A “reasonably comprehensive” petition will include, in addition to the FSDRL, the following:

The determination of whether a high performing charter school will be renewed for a five-year, six-year, or seven-year term will depend on specific factors related to the charter school’s operation and performance during the term of the charter. This determination will be made after submission and review from the Charter Schools Division.

- College and career-readiness
- Use of technology

6. Describe briefly how learning best occurs. Include discussion of current learning theories/concepts and how they align to the needs of the target student population.

Code § 52052, for each of the eight (8) state priorities identified in Ed. Code § 52060(d) by the California Local Control Funding Formula (LCFF) legislation enacted in 2013, as amended. Please use the "LCFF State Priorities" table template included in the affiliated petition template. This template provides the layout for six goals; if necessary, repeat the same template layout for any additional goals in order to create a complete LCFF table, or delete any that are unnecessary. Please see notes below.
- Description of the specific annual actions the school will take to achieve each of the identified annual goals. Please see template below.

NOTE: The LCFF provisions in the charter petition must reflect and be consistent with the charter school's current approved annual Local Control and Accountability Plan (LCAP) and annual update prepared under the supervision of the school's Local District and submitted for approval to the LAUSD Board of Education, pursuant to the requirements of Ed. Code section 47606.5 as it is amended from time to time.

NOTE: Some of the eight (8) state priorities encompass multiple components. Each component that applies to the grade levels to be served must be addressed. To fulfill this requirement, the petition may provide broad goals that encompass several state priorities, or it may set forth individual goals that address each component of the state priorities separately. Please see the CSD website to review a partial sample of the LCFF table template. <https://achieve.lausd.net/site/Default.aspx?PageID=1824>
CDE LCFF information can be found here:
<https://www.cde.ca.gov/fq/aa/lc/>

NOTE: The LCFF table template provides a separate row for school-wide performance targets as well as a row for each potentially relevant subgroup and numerically significant subgroup; the table template should be tailored as appropriate to the charter school's specific goals and the student population to be served by the school (**for subgroups that are not numerically significant for the school, insert an "*" in the chart, and define the * as, "subgroup not numerically significant at this time"**).

NOTE: The LCFF table provided below incorporates measurable outcomes and performance targets, which are components of Element 2 of a charter school petition. A completed LCFF table provided in Element 1 of the petition template will meet the LCFF measurable outcomes requirements for Element 2 and can be incorporated therein by reference to the completed table in Element 1. Please note that **the petition must provide specific outcomes and targets for each of the specific metrics set forth in Education Code § 52060(d) that are applicable to the grade levels served by the school.**

Element 2: Measurable Pupil Outcomes and

Element 3: Method by which Pupil Progress Toward Outcomes will be Measured

“The measurable pupil outcomes identified for use by the charter school. “Pupil outcomes,” for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school’s educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for pupil subgroups served by the charter school, as that term is defined in Section 52052. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school.” (Ed. Code § 47605(c)(5)(B).)

“The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.” (Ed. Code § 47605(c)(5)(C)).)

NOTE: Elements 2 and 3 have been combined into one section in order to support petition clarity, coherence, and consistency. Address in this unified section both summative assessment (including state standardized assessments) and formative assessment. See below.

NOTE: The FSDRL includes a specific assurance that the charter school must “meet all statewide standards and conduct the pupil assessments required pursuant to Ed. Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. Ed. Code § 47605(d)(1).” In addition, the FSDRL for this Element includes the following provision: “Charter School shall meet all statewide content and performance standards and targets. Ed. Code §§

47605(dd) (1), 60605.” All provisions of this Element, as well as all other Elements, must be consistent with the FSDRL.

A “reasonably comprehensive” petition will include, in addition to the FSDRL, the following:

NOTE: These goals are the same as those described in Element 1 in accordance with Education Code § 47605(c)(5)(A)(ii). **A completed “LCFF State Priorities” table provided in Element 1 of a petition will meet this requirement and can be incorporated herein by reference.**

- The charter school’s unique educational goals or objectives, including description of the knowledge, skills, and aptitudes to be measured. **If included in the LCFF table in Element 1, such goals do not need to be repeated here but rather can be incorporated by reference to the table.**

NOTE: Do not insert the text of the state content standards within the petition; they may be incorporated by citation/reference.

Performance Targets Aligned to Eight State Priorities

2. In chart or table format, identify and describe specific performance targets (pupil outcomes), for all pupils (i.e., schoolwide) and for each pupil subgroups identified pursuant to Education Code § 52052, that align with the eight (8) state priorities identified in Education Code § 52060(d). **Please be sure to incorporate all of the specific metrics set forth in Education Code section 52060(d) that are applicable to the grade levels served by the school. A completed LCFF table provided in Element 1 will meet this requirement and can be incorporated herein by reference.**

Element 4: Governance

“The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement.” (Ed. Code § 47605(c)(5)(D).)

NOTE: The purpose of Element 4 is to provide reasonably comprehensive description of the charter school’s governance structure and practices, and its methods to ensure

stakeholder involvement. For District affiliated charter schools, it is important to recognize that, by their nature and the terms of their charters, they are subject to the governance and control of the LAUSD Board of Education. Like all District schools, an affiliated charter school's governance at the school site level must comply with all applicable state and federal laws and regulations, District policies related to school site governance, and the provisions of LAUSD collective bargaining agreements (CBAs).

In order to streamline the petition preparation and review processes and otherwise ensure that school site governance complies with the relevant legal, policy, and CBA requirements, the CSD has carefully redesigned the FSDRL for affiliated charter petitions to provide most of the necessary content for Element 4. As a result, affiliated charter schools only need to provide school-specific descriptions related to stakeholder involvement, per the guidance below. The FSDRL provides the rest.

This approach not only ensures the requisite compliance but also preserves the ability of the affiliated charter school, like other District schools, to seek and obtain waivers as permitted by District policy and the UTLA-District CBA.

Accordingly, a "reasonably comprehensive" petition will include, in addition to the FSDRL, the following:

Stakeholder Involvement

1. Describe the charter school's stakeholder involvement plan and process.
Address:
 - The process by which the school will consult with all stakeholders (parents, teachers, staff, administrators, and students) to develop its LCAP and annual update

 - How the charter school will use its website to support stakeholder involvement

If the pupil’s parent, guardian, or educational rights holder initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii)” (Ed. Code § 47605(c)(5)(J).)
