POLICY: To advise school administrators of the prohibition against commercial vendors in proximity to the schools, and procedures to report non-compliant vendors. City and County codes and ordinances prohibit vendors from selling consumable items near schools.

MAJOR CHANGES: This is a revision of BUL-577.0 (October 14, 2003), Vendors at or Near School Campuses, issued by the Office of Environmental Health and Safety. It provides additional information on the municipal code or ordinance for each of the unincorporated cities within the LAUSD boundaries.

GUIDELINES: The following guidelines apply:

I. BACKGROUND

Many school campuses experience problems associated with vendors at or near the school perimeter. Food vendors in particular can pose a serious health risk for our students, and the operation of any vendor can contribute to traffic and pedestrian hazards by obstructing sidewalks and forcing students to walk in the street.

II. REGULATIONS

For schools located in the City of Los Angeles, the Los Angeles Municipal Code prohibits vendors from selling items within 500 feet of the nearest property line of any school. The Los Angeles Municipal Code, 80.73 Unlawful Parking-Peddlers-Vendors states, "It shall be unlawful for any person to stop, stand, or park any vehicle, wagon, or pushcart for the purpose of peddling, hawking or offering for sale there from any goods, wares, merchandise, fruit, vegetables, beverages, or food of any kind, on any street or sidewalk within 500 feet of the nearest property line of any school."

For schools located in the County of Los Angeles, the Los Angeles County Code, Ordinance 7.62.071 prohibits vendors from selling food items within 1,000 feet from

any school property. The Los Angeles County Code, Ordinance 7.62.071 Peddlers of Edible Products Near Schools states, “Any person engaged in the business of peddling or selling liquids or edibles for human consumption shall not engage in business within 1,000 feet from any school property while children are going to or leaving school during opening or closing hours or during the lunch recess period.”

For schools located in one of the unincorporated cities listed below, the following municipal code or ordinance prohibits vendors from selling liquids or edibles for human consumption near schools. The applicable distances vendors are prohibited from selling are also listed.
