**INDEPENDENT
CHARTER SCHOOL
RENEWAL PETITION
APPLICATION
GUIDE
for
2021-2022**

**Updated
May 26, 2021**

Dear Charter School Renewal Team:

Thank you for your interest in continuing to operate an independent charter school authorized by the Los Angeles Unified School District (“LAUSD” or “District”). As stated in our Board of Education’s *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* when the LAUSD Board authorizes and oversees a charter school, it establishes a relationship to advance its vision and mission and to accelerate gains in academic achievement and accountability for all of its students and public schools.

The mission of the Charter Schools Division is:

The LAUSD Charter Schools Division fosters high quality educational opportunities and outcomes for students in the greater Los Angeles community through exemplary charter public school authorizing, oversight, and sharing of promising practices so that all students maximize their potential.

In order to achieve our mission, we are guided by the following core values:

- ❖ *Making decisions that put the interests of students first.*
- ❖ *Serving with high expectations, integrity, professionalism, and commitment.*
- ❖ *Employing authentic, responsive, and effective leadership and teamwork.*
- ❖ *Continuously learning as a dynamic organization.*
- ❖ *Building and sustaining a healthy workplace culture where high performance, diversity, and creativity thrive.*
- ❖ *Developing productive relationships with our charter schools and all stakeholders.*

An approved charter is the foundational document that directs and guides a charter school’s operations and embodies the charter school’s commitment to the public to provide a high quality educational opportunity to the community it serves. In fulfillment of our mission, and consistent with our core values, the Charter Schools Division will recommend to the LAUSD Board of Education only those renewal petitions that are clear, coherent, comprehensive, and compelling, and that will be implemented by a strong team.

This application guide is designed to provide you with clear information and guidelines as you develop and prepare your renewal petition and supporting documentation. It provides specific information regarding the LAUSD charter school renewal petition application requirements and an outline of what the District considers to be a “reasonably comprehensive” petition. Please make sure to review the *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* and all of the other resources available on our website that may help you ensure that your application presents the highest quality charter school renewal petition application possible.

Again, thank you for your hard work in service to the students and families of the Los Angeles Unified School District. Please do not hesitate to contact the Charter Schools Division at [\(213\) 241-0399](tel:2132410399) if you have any questions about the renewal petition application process.

Sincerely,

José Cole-Gutiérrez
Director
Charter Schools Division

INTRODUCTION

The Charter Schools Division (CSD) has prepared this independent charter school renewal petition application guide in order to assist petitioner teams in gaining a clear understanding of the required components of a renewal petition application that satisfies the statutory requirements, i.e., a petition that can be deemed to be educationally sound, reasonably comprehensive, and demonstrably likely to be successfully implemented. We encourage petitioner teams to review CSD guidance both prior to and during the development of their renewal petition applications. Teams should also use it to review their renewal petition application before making an intake appointment with the CSD. Petitioners should also review and refer to the *LAUSD Policy and Procedures for Charter Schools* (“Policy”) approved by the Board of Education on August 11, 2020. This guide serves as a supplementary tool to the Policy.

Please note: This guide applies specifically to independent charter school renewal petition applications. If you are interested in applying to open and operate a **new** charter school, to request material revision of an existing charter, or to establish or renew an affiliated charter school, please see the other resources available on our website (<https://achieve.lausd.net/charter>) that provide guidance specific to those purposes.

IMPORTANT NOTE REGARDING MATERIAL REVISION DURING THE RENEWAL YEAR: In preparing a renewal petition application, most schools make changes to their charters to reflect current practices. As long as any proposed changes are non-material, they can be incorporated into the renewal petition application. Some proposed changes to a charter, however, may be deemed “material” such as the following:

- Expansion to one or more additional sites (requires Community Impact Assessment) ¹
- Change in location/address outside the community (requires Community Impact Assessment) ²
- Addition or reduction of grades or grade levels served (expansion of additional grade levels requires a Community Impact Assessment)
- Increased enrollment:
 - For schools occupying non-LAUSD facilities, any increase of more than 20% or 100 students, whichever is less, above the enrollment as scheduled in the charter
 - For schools occupying LAUSD facilities, an increase above the enrollment which could impact the usage of the site

¹ Refer to the *Community Impact Assessment Template* on the CSD website (<https://achieve.lausd.net/charter>)

² The identified geographical area will be based on the LAUSD Community of Schools (a group of schools from Pre-K through 12th grade as identified by the District that is centered around a neighborhood, working to support students, school, and families in the community and/or school feeder patterns. Constructs such as school feeder patterns, Zones of Choice, and/or other operative District terms may be considered, as programmatic updates occur and neighborhoods within a three-mile radius from the location identified by the petitioners of the proposed move). Any change in location or request for additional sites must be supported by documentation that the proposed location complies with all applicable building and safety requirements. Please also see *LAUSD Policy and Procedures for Charter Schools*, page 63.

- Changes to admission preferences or procedures³
- Changes to the governance and/or corporate structure and affiliations including, but not limited to:
 - Changes to the articles of incorporation of the entity managing the charter school, including the addition or deletion of any related or affiliated corporations, or sole statutory members; and changes to the number of board members
- Corporate mergers
- Changes to the instructional and/or education model or design, other than changes required by law, including changes, or adding a nonclassroom-based program
- Change from independent charter school to affiliated charter school status. (See LAUSD Policy and Procedures for Charter Schools (August 11, 2020), Section K, Affiliated Charter Schools, for details on process)

Any charter school that plans to seek material revision of its charter must submit a request for material revision to the CSD, **separate and apart from the renewal petition application**. The renewal application and the request for material revision will be reviewed and recommended separately for Board action.

A charter school applying for renewal may choose to submit its request for material revision at the same time as it submits its renewal petition application, but the two submissions will still be processed as two distinct proposed Board actions. *As such, Board action regarding a material revision request and a renewal petition application may be agendized to occur at separate Board meetings. **A charter school in its renewal year that anticipates requesting a material revision during the school year should contact the CSD administrator assigned to the school well in advance of scheduling an intake appointment for the submission of the renewal petition application.*** The CSD administrator will work with the charter school to ascertain whether the proposed change amounts to a “material revision” that requires the submission of a separate request. Please see the current *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* and other resources available on the CSD website for additional information regarding material revision of a charter.

RENEWAL

The criteria for renewal establish transparent expectations for charter school performance that apply to charter schools both during the renewal review process and throughout the term of the charter. The CSD will holistically evaluate charter schools pursuant to the Charter Schools Act through the lens of the criteria for renewal over the term of the charter and through the CSD’s processes for ongoing oversight. A charter school should also conduct its own assessment on an ongoing basis to monitor performance and make improvements. During the final year of the charter term, the CSD communicates with each charter school regarding its progress towards renewal and any concerns that the CSD has at that time that the charter school should address prior to renewal. Therefore, a

³ Requires the LAUSD Board to approve at a public hearing (Ed. Code, §47605(e)(2)(B)(i).)

charter school approaching renewal should have a clear understanding of its status regarding renewal eligibility. Please refer to the *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* for additional information which includes resources for petitioners, renewal application and timelines, criteria for renewal and grounds for nonrenewal.

Resources for Petitioners

Petitioners should review the resources for petitioners on the CSD website (e.g., *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)*, Renewal Petition Application Intake Checklist, and Federal, State, and District Required Language (FSDRL)) to gain a clear understanding of the required elements and the information needed in the renewal petition application material that satisfy the statutory requirements of the petition and renewal provisions in the Charter Schools Act.

Annual Oversight Visit in the Renewal Year

By statute, the District must visit each of its authorized charter schools at least once per school year. In order to ensure District staff considers the most recent information and evidence available in making its renewal recommendations, the CSD endeavors to conduct its annual oversight visits to independent charter schools seeking renewal in the fall of the renewal year, or alternatively in the preceding spring, as appropriate. For further information regarding the renewal oversight visit process and schedule, please contact the CSD administrator assigned to the specific charter school.

Additional Considerations

Charter School Operators

Charter School Operators that have more than one school (e.g., Charter Management Organizations, network of schools) renewing in the same programmatic year are strongly encouraged to work with their CSD assigned administrator(s) regarding the renewal petition submission and revision processes to ensure a mutually beneficial and efficient process for handling the multiple petitions.

Public School Choice Charter Schools

Charter schools participating in the District's Public School Choice (PSC) program must incorporate the FSDRL specific to this program into the renewal petition. Please contact the charter school's assigned CSD administrator for further information.

Charter Schools Operating on District Property, including Conversion Charter Schools

All independent charter schools operating on District property, including but not limited to PSC schools and former LAUSD schools that have converted to independent charter status, will need to execute a facilities agreement as part of or prior to the renewal process.

Proposition 39 Facilities

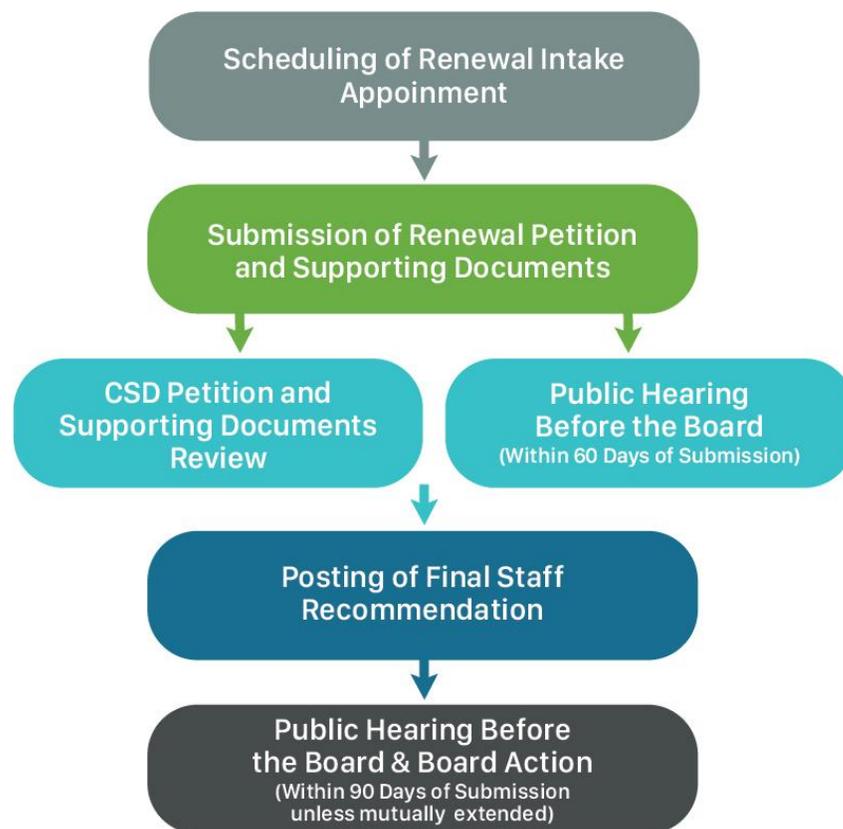

As charter schools' eligibility for and allocation of Proposition 39 facilities are determined

on an annual basis, the contents of a charter school’s renewal petition application should not rely upon the school’s current occupancy and/or current location of Proposition 39 facilities.

Board Benchmarks

From time to time, in the event that District staff has determined that a charter school merits an approval recommendation but nonetheless has demonstrated inadequate performance in one or more key areas, staff recommendation of approval on the renewal petition may include proposed Board benchmarks. Such proposed benchmarks typically require action by the charter school as well as additional CSD monitoring and periodic reporting to the Board of Education during the term of the charter. If a charter school has a current benchmark(s), it will be reviewed as part of the renewal process.

Renewal Petition Application Review Process

For a comprehensive description of the renewal petition application review process, including information regarding timelines, roles, and the steps of the process, please see the LAUSD Board of Education-approved *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)* available on the CSD website.

CONTENT AND FORMAT OF PETITION APPLICATION

This section provides information regarding both the content and format of the required documents that must be submitted as part of an LAUSD renewal petition application. In addition to general requirements, the guide provides document-specific guidance as well.

GENERAL INFORMATION

BINDER

At the intake appointment, the petitioner team must bring and be ready to submit a three-ring binder that contains both paper and electronic versions of the documents to be submitted. **In the event the intake appointment is done remotely, the petitioner must upload documents into a designated Dropbox. A file should be created that says “Renewal Petition Intake” plus the date of submission.** Within the file, there should be subfiles indicative of the Tabbed Dividers. The binder must include the following items:

1. Cover Page on the front of the binder that includes the full and accurate name of the charter school and the date of submission
2. Spine Label on the side of the binder that indicates the name of the charter school
3. Tabbed Dividers that correspond to the names and order of the numbered items (#1 - #9) on the “Independent Charter School Renewal Petition Application Intake Checklist”
4. Application Documents that are in final format (i.e., without tracked changes or highlighting), in a readable font, and organized in accordance with the tabbed dividers

NOTE: All documents in the binder will be scanned upon submission; please do not include Post-Its, paper clips, sheet protectors, staples, or similar extraneous materials in the binder.

PETITION APPLICATION SIZE

Please try to limit the total size of your petition application to no more than 3 MB. (In particular, please minimize the number of graphics and consider eliminating photographs, which are the two primary elements that result in large files.) The CSD must be able to send the application documents via electronic mail (email) to various District staff for their review.

CURRENT AND ACCURATE INFORMATION AND DOCUMENTS

As a matter of course, charter schools continue to evolve during the terms of their charters. The renewal petition application should reflect this change and evolution. Therefore, please ensure that all documents, data, research, and other information provided in the petition application are current and accurate versions and representations. Please provide standard citation format to all external sources of research, information, websites, and data presented in the application documents. Be sure to adhere to all copyright requirements. All renewal petition applications must include current documentation, including the most recent data available, updated resumes, and Governing Board Member Questionnaires completed and signed within 12 months prior to the date of petition submission. Please also see the note above regarding material revision.

CONSISTENCY WITH FEDERAL, STATE, AND DISTRICT REQUIRED LANGUAGE

Please ensure that the provisions of all documents provided in the petition application, including the petition itself, are consistent with and not duplicative of the most current approved and posted FSDRL. See “Federal, State, and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions” available on the CSD website. Please also ensure that all documents are internally consistent and consistent with each other. For example, the governing board’s current bylaws, submitted as part of the petition application, need to be consistent with the provisions of Element 4 in the petition.

SPECIFIC PETITION APPLICATION DOCUMENTS

NOTE: In addition to the guidance provided below, please refer to and use the “Independent Charter School Renewal Petition Application Intake Checklist” to guide preparation of a complete renewal petition application. At the intake appointment, CSD staff will use the intake checklist to determine whether the petition application is complete and can be accepted for review.

TAB 1: CHARTER SCHOOL RENEWAL PETITION (ELEMENTS 1-15)

General Format Requirements

- ❖ MS Word Format: This document must be in MS Word (2007 or later) in a readable font.
- ❖ Page Breaks Between Elements: Please insert page breaks before the start of each Element of the petition.
- ❖ Federal, State and District Required Language: Please be sure to highlight in

gray all FSDRL throughout the petition document.

General Content Requirements

A petition presents a “sound educational program” (refer to *LAUSD Policy and Procedures for Charter Schools (August 11, 2020)*) and provides a “reasonably comprehensive” description of the fifteen (15) required elements. It must be clear, coherent, and internally cohesive and consistent.

- ❖ Purpose: Please review and ensure that your petition (Elements 1-15) addresses the statutory purpose(s) of each element as set forth in Ed. Code § 47605(c)(5). Unless expressly required in this guide, please avoid addressing topics that appear to fall outside the scope of these purposes.
- ❖ Federal, State, and District Required Language: Please include the **current** FSDRL as set forth in the separate document titled “Federal, State, and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions” posted on the CSD website. **Please follow the directions provided in that document.** Please ensure that the other provisions of the petition do not duplicate or conflict with the provisions of the FSDRL.
- ❖ Title Page: The petition document must include a title page that contains the full and accurate charter school name and the date of submission.
- ❖ Table of Contents and Headings: The petition must include an accurate table of contents that matches the element headings provided in the FSDRL.
- ❖ Element Headings in the Petition: As part of the headings for Elements 1-15 throughout the petition, include the statutory description of each element below its heading **in bold**. Please see the following example:

Element 5 – Employee Qualifications

“The qualifications to be met by individuals to be employed by the school.” (Ed. Code § 47605(c)(5)(E).)

- ❖ Appendices and Supporting Documentation: A reasonably comprehensive petition that presents a sound educational program must include all relevant provisions. Therefore, please do not include any appendices in the petition, such as handbooks and health, safety, and emergency plans. Charter schools may include, however, supporting documentation. For example, petitioners may choose to provide in the petition application a document that provides a background description of a specialized program such as International Baccalaureate or a STEM project.

The Fifteen Charter Elements

Element 1: The Educational Program

“The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.” (Ed. Code § 47605(c)(5)(A)(i).)

“The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.” (Ed. Code § 47605(c)(5)(A)(ii).)

“If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the “A” to “G” admissions criteria may be considered to meet college entrance requirements.” (Ed. Code § 47605(c)(5)(A)(iii).)

A “reasonably comprehensive” petition will include, in addition to the FSDRL, the following:

⁴ If the requested enrollment capacity has changed from the current charter enrollment capacity, please share with your CSD administrator, as it may require a material revision. Also ensure that the requested enrollment capacity aligns with enrollment/rollout plan and submitted budget.

⁵ Charter schools satisfying the high performing renewal criteria may be renewed for a term of 5 to 7 years. (Ed. Code, § 47607(c)(2)(E).) The determination of whether a high performing charter school will be renewed for a five-year, six-year, or seven-year term will depend on specific factors related to the charter school's operation and performance during the term of the charter. This determination will be made after submission and review from the Charter Schools Division.

⁶ The rollout plan should be aligned with the charter term as identified on the previous page.

7. Describe briefly how learning best occurs. Include discussion of current learning theories/concepts and how they align to the needs of the target student population.
8. Address the requirements of Ed. Code § 47605(c)(5)(A)(ii), including:
 - Description of the charter school’s annual goals, for all pupils (i.e., schoolwide) and for each subgroup of pupils identified pursuant to Ed. Code § 52052, for each of the eight (8) state priorities identified in Ed. Code § 52060(d) by the California Local Control Funding Formula (LCFF) legislation enacted in 2013, as it may be amended from time to time. Please see the “LCFF State Priorities” template provided below. This partial template provides the layout for one goal; repeat the same template layout for each goal to create a complete LCFF table. Please see notes below.
 - Description of the specific annual actions the school will take to achieve each of the identified annual goals. Please see template below.

NOTE: Some of the eight (8) state priorities encompass multiple components. Each component that applies to the grade levels to be served must be addressed. To fulfill this requirement, the petition may provide broad goals that encompass several state priorities, or it may set forth individual goals that address each component of the state priorities separately. Please see the CSD website to review a partial sample of the LCFF table template. <https://achieve.lausd.net/site/Default.aspx?PageID=1824>. CDE LCFF information can be found here: <https://www.cde.ca.gov/fg/aa/lc/>

NOTE: The LCFF table template provided below incorporates measurable outcomes and performance targets, which are components of Element 2 of a charter school petition. A completed LCFF table provided in Element 1 of a petition will meet the LCFF measurable outcomes requirements for Element 2 and can be incorporated therein by reference to the completed table in Element 1. Please note that **the petition must provide specific outcomes and targets for each of the specific metrics set forth in Ed. Code § 52060(d) that are applicable to the grade levels served by the school.** Please see also the section below regarding the requirements of Element 2.

NOTE: The LCFF table template provides a separate row for school-wide performance targets as well as a row for each potentially relevant subgroup and numerically significant subgroup; the table template should be tailored as appropriate to the charter school's specific goals and the student population to be served by the school **(for subgroups that are not numerically significant for the school, insert an “*” in the chart, and define the “*” as, “subgroup not numerically significant at this time”)**.

NOTE: The LCFF charter petition provisions must be reflected in and consistent with the charter school's annual Local Control and Accountability Plan (LCAP) and updates prepared and submitted pursuant to the requirements of Ed. Code section 47606.5 as it is amended from time to time.

NOTE: The charter petition may identify additional local school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals. (Ed. Code § 47605(c)(5)(A)(ii).) *Accordingly, include goals for key features of the charter school's program.*

NOTE: Please ensure it aligns with the term as identified on page 9.
