(LARCA) Centers

The Los Angeles Economic and Workforce Development Department (EWDD) created the Los Angeles Reconnections Career Academy (LARCA) program as a means of addressing the extensive education and employment needs of the city’s sizable out of school youth population ages 16 to 24 with education, training and employment services, alongside case management and other supportive services, using a career pathways mode. Funded by Workforce Innovation Fund (WIF) grand from the U.S. Department of Labor.
