

Los Angeles Unified School District  
**AB 922 Student Discipline and Expulsion Support  
Post-Expulsion Services**

The Los Angeles Unified School District's AB 922 Student Discipline and Expulsion Support Unit was in part established in response to Assembly Bill 922 (1995), which enacted statutory provisions to facilitate educational and support services for all expelled students.

The Unit is comprised of a team of professionals led by Pupil Service and Attendance Counselors who work closely with parents, students, District staff, and community agencies to assist students in achieving reinstatement from their current expulsion order. The goal of the AB 922 Program is to assist students in acquiring academic and social skills that will enhance their ability to have a successful school experience once they transition back to a traditional school program.

Core program services include:

- Facilitating appropriate and timely educational placements for all expelled students
- Conducting thorough AB 922 student/parent intake assessments and developing rehabilitation plans
- Monitoring student social, behavioral and academic
