RE: Proper Garage Exiting to Beaudry Avenue from the B2 Garage

This is a reminder that making a left turn from the B2 garage onto Beaudry Avenue is illegal and unsafe. Note the signage – both at the exit itself and across the street – restricting drivers to a right turn only.

This month, School Police has issued traffic citations for these illegal left turns and may continue to do so from time to time.

In addition to avoiding traffic citations, following the rules will help address these issues:

1. It should speed up the exiting for all during rush hours.
2. It will improve the safety of both you and traffic on Beaudry.

If you have questions or wish to report violations, contact the Office of the Building (213) 241-1320. Thank you for your cooperation.
