

Lunch & Learn Webinar

TechBalance: Supporting Families with Common Sense Resources

Date: Thursday, June 11, 2020
Time: 12:30 p.m. - 1:30 p.m.
Location: Virtual Meeting

Presenters

Sue Thotz, *Senior Program Manager, Education*
Rocío López, *Community Partnerships Manager*

The purpose and outcomes for the meeting are to:

- Understand the strategy and mission of Tech Balance, a free, bilingual text message program where parents receive weekly tips and advice from Common Sense straight to their text messages.
- Identify examples of content messages and videos that relate to the Census, Screentime and learning tools specifically curated for distance learning and beyond.
- Create and share individualized plans to support families with Tech Balance using the media resources and tools provided in the session.
