Retirement with Health Benefits Eligibility Guidelines

TO RECEIVE COVERAGE AS A RETIRED EMPLOYEE, YOU MUST MEET THE FOLLOWING REQUIREMENTS:

1. Select any available plan you wish to be enrolled in at the time of retirement. If your selection is different than the plan you are currently enrolled in, the effective date will be the first of the following month after your retirement date.
If you are not enrolled in a medical, dental, or vision care plan, you must contact Benefits Administration regarding enrollment procedures **before** your retirement date.
2. You must resign to **retire** from District service and be eligible to receive an allowance from your retirement system (CalSTRS or CalPERS) for either age or disability retirement the day after your District resignation.
 - You are not eligible for retirement health benefits if you separated, resigned without retiring, or were dismissed from District Service.
 - Your District resignation date and CalSTRS/CalPERS retirement date must be consecutive dates (may include weekend days).
 - If there is a gap between your District resignation date and your CalSTRS/CalPERS retirement date, you will not be eligible for retirement health benefits.
3. You must receive a monthly retirement payment from your retirement system. **If you take deferred retirement (that is, leaving funds on deposit with the retirement system for withdrawal at a later date) or a lump sum distribution, you are not eligible for these retirement benefits.**
4. You must meet the following requirements:
 - a. For employees hired prior to March 11, 1984, five (5) consecutive years of qualifying service immediately prior to retirement shall be required in order to qualify for retiree health benefits for the life of the retiree.

 - d. For employees hired on or after June 1, 1992, years of qualifying service and age must total at least eighty (80) in order to qualify for retiree health benefits. For employees who have a break in service, this must include at least ten (10) consecutive years immediately prior to retirement.
 - e. For employees hired on or after March 1, 2007 shall be required to have a minimum of fifteen (15) consecutive years of service with the District immediately prior to retirement, in concert with the "Rule of 80" eligibility requirement (section 4.0 (d) above) to receive employee and dependents' health and welfare benefits (medical dental and vision) upon retirement as provided for in this agreement.
 - f. For employees hired on or after April 1, 2009, years of qualifying service and age must total at least eighty-five (85) in order to qualify for retiree health benefits. This must include a minimum of twenty-five (25) consecutive years of service with the District immediately prior to retirement.

For School Police (sworn personnel), if you were hired on or after April 1, 2009, the employee's age plus the number of consecutive qualifying years of service, when added together, must equal 80 and you must have twenty (20) consecutive years of qualifying service immediately prior to retirement.
5. Medicare requirement (Effective January 1, 2010):
 - If you and/or your dependent reach/are age 65 or older you must enroll and remain enrolled in Medicare Part B. **If you do not enroll in Medicare Part B, you will lose your health benefits until proof of enrollment is submitted.**
