FROM: Robert Reider, Director of Insurance
Risk Management & Insurance Services

The Los Angeles Unified School District does not provide health or accident insurance for students; however, we do offer assistance to help student's access insurance plans.

☐ ***Children's Health Access and Medi-Cal Program (CHAMP)***

The first option available to students is to contact the CHAMP office of LAUSD. The CHAMP office can assist parents in accessing no-cost or low cost health insurance programs for children. These programs provide full dental, vision and health care for children and youth. Information and enrollment services are available by calling the toll-free HELPLINE 1- (866) 742-2273 or go to the website: http://champ.lausd.net

If you should have any additional questions or need assistance with the above, please contact the CHAMP Coordinator, Dale Reinert at (213) 241-4293.

☐ ***Voluntary Student Accident Insurance Program***

We also provide access to several reduced cost, voluntary purchase student accident/health insurance plans. They are available to all students within the District through agreement with an outside vendor. Typical coverage includes options for: Tackle Football, 24 HR Full-time accident coverage, School Time accident coverage, Supplemental Dental coverage and a Supplemental Student Health Care Plan.

The forms are available in English and Spanish. If school sites or parents have questions related to the insurance options available under the voluntary student accident insurance program, K & K Insurance can be reached in the following manner:

- By mail at P.O. Box 2338, Fort Wayne, IN 46801-2338.
- By telephone at (855) 742-3135 (toll-free); FAX: (260) 459-5120.
- Online Enrollment: www.studentinsurance-kk.com

If you should have any additional concerns regarding the voluntary student accident insurance program beyond that listed above, the Risk & Insurance Services may be able to assist you by (213) 241-0329 or via web at **http://studentaccident.lausd.net**
