TO: Eduardo Duran, Principal  
Joseph LeConte Middle School  

FROM: Carlos A. Torres, Interim Director  
Office of Environmental Health and Safety  

DATE: July 31, 2018  

SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an evaluation of sampling data at Joseph LeConte Middle School (0001822601), Joseph LeConte Middle School Health/English/Applied Science/Tech Magnet (0001822602), and Joseph LeConte Middle School CES Communication and Arts Magnet (0001822603) as requested by the Facilities Services Division (FSD). OEHS has determined that lead levels are below the U.S. Environmental Protection Agency’s and the District’s thresholds for lead in drinking water. As such, daily flushing activities at Joseph LeConte Middle School may cease.

Quality assurance/control sampling will be randomly conducted at school sites and if necessary, corrective measures will be implemented. If it is determined that daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have any questions or need assistance, do not hesitate to contact our office at (213) 241-3199.
