SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER
          FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an
evaluation of sampling data at Gates Street Early Education Center (0001958901)
as requested by the Facilities Services Division (FSD). OEHS has determined
that lead levels are below the U.S. Environmental Protection Agency’s and the
District’s thresholds for lead in drinking water. As such, daily flushing activities
at Gates Street Early Education Center may cease.

Quality assurance/control sampling will be randomly conducted at school sites
and if necessary, corrective measures will be implemented. If it is determined
that daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should
have any questions or need assistance, do not hesitate to contact our office at
(213) 241-3199.
