TO:   Simone R. Charles, Principal
      Walt Whitman Continuation High School

FROM:  Carlos A. Torres, Interim Director
        Office of Environmental Health and Safety

DATE: September 7, 2018

SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER
          FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an
evaluation of sampling data at Walt Whitman Continuation High School
(0001862301) as requested by the Facilities Services Division (FSD). OEHS has
determined that lead levels are below the U.S. Environmental Protection Agency’s
and the District’s thresholds for lead in drinking water. As such, daily flushing
activities at Walt Whitman Continuation High School may cease.

Quality assurance/control sampling will be randomly conducted at school sites and
if necessary, corrective measures will be implemented. If it is determined that
daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have
any questions or need assistance, do not hesitate to contact our office at (213) 241-
3199.
