How might I use Start Smart 1.0 to engage English Learners in academic conversations?

This is a one-day professional development for secondary Designated ELD (dELD) teachers on the Start Smart 1.0 lessons for middle and high schools. These lessons introduce the Constructive Conversation Skills and Norms.

Participants will:

- Understand the structure and content of the secondary Start Smart 1.0 lessons
- Learn the Constructive Conversation Skills and how they address the ELD standards, ELA/ELD Framework, and ELPAC language demands
- Use formative assessment tools to capture evidence of student progress in the CA ELD standards and make connections to the ELPAC task types
