About

Widney CTC provides employment training and independent living skills for young adults with moderate to severe disabilities. Our program serves alternate curriculum students, 18 to 22 years old, within the Los Angeles Unified School District.

Assessment

Widney CTC assesses students in the areas of job readiness, career interests and abilities.

Training

The instructional focus of Widney CTC is to provide hands-on vocational training, including the development of work-related social skills, in a variety of career strands. Widney staff provides job training on campus and in the community. These experiences help students transition from school to work.

Benefits for Employers

- ★ Access to work-ready applicants
- ★ Careful screening of applicants for dependability, work ethic, work readiness and soft skills
- ★ Placement as well as ongoing supervision, monitoring and support for students on the job

Community Connections

Widney CTC works cooperatively with families, local businesses, Department of Rehabilitation and the Regional Center. This ongoing collaboration assists in linking students to important services that will provide support throughout their lives.

Benefits for Students

- ★ Development of job skills
- ★ Pre-employment preparation: resumes applications, interview techniques
- ★ Work experience opportunities
- ★ Development of daily living skills
- ★ Career awareness
- ★ Development of self advocacy skills
