

Personalized Learning

FOR ALL STUDENTS

DO YOU NEED TO DIFFERENTIATE YOUR VIRTUAL LESSONS EASILY & EFFECTIVELY FOR GIFTED & TALENTED STUDENTS?

Gifted/Talented Programs, Advanced Learning Options, is pleased to offer educators the opportunity to receive FREE student licenses for the interactive, online **RENZULLI LEARNING SYSTEM**.

Through Renzulli Learning, K-12 students engage in a personalized learning environment that quickly identifies their academic strengths, interests, learning styles, and preferred modes of expression. Each student with thousands of personalized, high-interest educational activities and resources resulting in increased engagement and higher academic performance.

Renzulli Learning cultivates students' unique talents and passions while providing educators the opportunity to customize instruction through a differentiation engine with thousands of lessons, activities, and units.

Educators must commit to six hours of professional development on Renzulli Learning prior to receiving the student licenses and implement the program with fidelity.

TRAINING DATES

Tuesdays, September 22, 29, and October 27, 2020 from 3-5 p.m.

Space is limited and candidates will be selected on a first-come, first-served basis. Interested educators can apply for student licenses by
