ABOUT THE POSITION

The Los Angeles Unified School District (LA Unified) seeks an accomplished leader with considerable experience to provide leadership and central support for establishing and directing expanded learning opportunity program and academic intervention programs for pre K-12 students.

KEY AREAS OF RESPONSIBILITY

- Provides leadership and advocacy for all students to have positive learning opportunities beyond the school day.
- Directs the development, implementation, evaluation, and monitoring of District-wide policies and procedures for expanded learning opportunity programs and academic intervention within the Beyond the Bell Branch.
- Provides direction for and administers expanded learning opportunity programs.
- Provides leadership and direction in the development of policies and procedures of the academic intervention programs.
- Administers Supplemental Educational Services under Every Student Succeeds Act.
- Collaborates with the local district superintendents to provide quality expanded learning opportunity programs and academic intervention programs.
- Represents the District in collaboration with community-based organizations including city, state, and federal agencies in the development of partnerships to support the expanded learning opportunity programs.

DESIRED LEADERSHIP QUALITIES AND EXPERIENCE

- A leader who enthusiastically demonstrates leadership and fosters positive relationships between schools, families, and the community partners
- An innovative instructional leader who demands the constant support of and advocacy for all student subgroups and targeted student populations
- Proven management and people skills and expertise as a team-builder
- Supports transparency and demonstrates integrity in dealing with all members of the school community
- Ability to inspire change and guide the successful implementation of instructional initiatives, including transition to the Community of Schools Model
- Successful experience as a teacher, principal, and district level administrator

MINIMUM REQUIREMENTS

- At least eight (8) years of successful, full-time public school certificated experience; with no fewer than five (5) years of which must have been in a management position(s)
- Valid California Administrative Services Credential (Out-of-state applicants must qualify for and obtain a California credential prior to selection approval.)
- Earned master's degree conferred by a regionally-accredited college or university
- Master Plan and Multicultural Education coursework (Candidates have one year to complete requirements.)
