

PASI Access for _____ (enter school name)

What is the PASI? (Phonological Awareness Screener for Intervention)

Diagnostic assessments that help teachers identify student weaknesses in phonological awareness. It also helps teachers plan appropriate focused intervention instruction. It is:

- An informal diagnostic screener
- Individually administered
- Untimed
- Criterion referenced
- Not for all students- use only with below-benchmark students

Accessing the PASI

The registration code is provided below to be used with up to 24 teachers at your school. The assessment can be photocopied. Codes may not be shared between schools.

Registration Code*: _____ (enter code here)

1. Go to <http://my.95percentgroup.com/Login.aspx>
2. CREATE individual user account
3. Once the account is created, users enroll in the product by entering the school specific registration code
4. Click on REGISTER A NEW PRODUCT (bottom right)
5. Enter registration code
6. Click CONTENT PORTAL
7. Download and install APP for all the PASI resources
8. Stuck? Email Ben or Annalise @ support@95percentgroup.com.

*Get PASI code from LD Elementary Literacy Coordinator:
