The Division of Instruction is offering *Interactions AB* as a replacement for *Integrated Coordinated Science I (ICS I)*. *ICS I* is not aligned to the Next Generation Science Standards (NGSS) and will be obsolete in 2020. *Interactions* is a curriculum written by CREATE for STEM Institute at Michigan State University (MSU). Professors from MSU will lead the professional development, in addition to practitioners in the classroom.

**Interactions AB Professional Development**

The NGSS website gave *Interactions* the highest instructional quality designation.

*Interactions* replaces *ICS I* as a physical science "g" course and requires the same credentialing to teach.

Schools will receive student and teacher textbooks, in addition to science materials needed for implementation.

*Interactions AB* will only be available to trained teachers.

**Participants:** *ICS I* instructors who will teach *Interactions AB*

**Compensation:** Regular Rate

**Dates**
June 14, 17, & 18, 2019 - 8:00 a.m. - 3:00 p.m.
OR
August 12-14, 2019 - 8:00 a.m. - 3:00 p.m.

**Location:**
Downtown Business Magnet High School

**Registration through MyPLN:**
http://lausd.csod.com
