

California SNAPSHOT

AVID, Advancement Via Individual Determination, is a 501(c)(3) nonprofit organization established in 1980. During the 2018–19 school year, AVID impacted more than 2 million students, providing academic and social support to ensure students' success in high school, college, and careers.

Goals of AVID's College Readiness System

Accelerate underachieving students who have potential into more rigorous courses

Teach academic and social skills not targeted in other classes

Provide intensive support with in-class tutors and a strong student-teacher relationship

Create a positive peer group for students

Develop a sense of hope and personal achievement through hard work and determination

"AVID has laid the foundation for our development of a schoolwide college-going culture and an improved educational experience for all students. It has been the single most important factor in making steady progress towards closing the achievement gap. Using the AVID program schoolwide is ensuring that we have all of our students prepared to excel in college and beyond."
