

10 TIPS FOR CHOOSING THE RIGHT CAREER FOR YOU

How does a person know what career to work toward? There is no perfect answer, but the following 10 tips will get you off to a good start.

- 1 Get to know yourself** – Complete more than one self-assessment test.
- 2 Identify your strengths and weaknesses** – What do you do well and what do you not do well?
- 3 Develop an inventory of careers** – Write down some careers that might interest you.
- 4 Research different careers** – Talk to others and use the Internet.
- 5 Write the pros and cons** – List positives and negatives about the careers that interest you.
- 6 Network** – Discuss your ideas with others.
- 7 Talk with people who work in your area of interest** – Family and friends are great resources.
- 8 Find a mentor** – Find someone with whom you can discuss your career selection.
- 9 Experiment** – Take a related class or part-time job.
- 10 Don't give up** – "If there is a will, there is a way."

Career Pathways

Food Service and Hospitality Pathway

The Food Service and Hospitality Pathway prepares students for a wide range of careers in restaurants, hotels, clubs, schools, resorts, hospitals, and institutions. This pathway focuses on key aspects of the industry, including sanitation and safe food handling, food and beverage production, nutrition, food service management, and customer service. A self-motivated person might also take these skills and open a catering or food service business.

CAREERS/CAREER AREAS:

- Line Cook
- Sous/Executive Chef
- Food Stylist
- Pastry Chef
- Baker
- Caterer
- Wait Staff
- Food Service Director
- Food Designer
- Food Expediter

Hospitality, Tourism, and Recreation Pathway

How would you like to spend every day at Disneyland – not as a tourist, but as an employee of the theme park, helping others have fun? The Hospitality, Tourism, and Recreation Pathway includes careers in lodging, travel services, eco-tourism, recreation, and event planning. This pathway appeals to students who enjoy working with people and are willing to acquire or already have excellent communication skills. With California being a popular vacation spot, career opportunities in this pathway are always plentiful.

CAREERS/CAREER AREAS:

- Recreation Leader
- Event/Wedding Planner
- Theme Park Staff
- Flight Attendant
- Concert Promoter
- Travel Company Owner/Manager
- Club/Resort/Hotel Manager
- Travel Agent
- Cruise Ship Staff
- Interpreter/Translator

Food Science, Dietetics, and Nutrition Pathway

This pathway focuses on three specializations centered on the science of food and its relationship to the health and well-being of individuals. With health concerns related to food and diet that are commonplace in the United States, people with knowledge and skills in food composition and preparation will be in high demand. Jobs that address the special needs of seniors and children are predicted to experience large growth as our population changes.

CAREERS/CAREER AREAS:

- Dietary Aide
- Dietary Chef
- Personal Chef
- Food Scientist
- Food Product Tester/Taster
- Dietetic Technician
- Registered Dietitian
- Food Product Developer
