The Public Services Industry Sector provides a foundation for students interested in being involved in their community and serving the public's interest. Careers in this sector often attract people who want to help their fellow citizens and make improvements to the communities they serve. Careers range from public safety to community outreach, and everything in between. Because of heightened interest in homeland and border security, employment growth in this sector is projected at over 20 percent in the near future.

Students engage in an instructional program that integrates academic and technical preparation and focuses on career awareness, exploration, and skill preparation. Community service, internships, and work experience go hand in hand with classroom instruction.
