CERTIFICATIONS

- Certified Mediator (05/08)
- Emergency 30-Day Substitute Teaching Permit in California; Expires 02/01/10
- Toastmaster International-Certified Competent Communicator (11/09)

Appendix B: Job Descriptions

Principal Job Description

PRIMARY FUNCTION: To provide effective instructional leadership for his/her building and manage those activities that contributes to the effectiveness of the total educational program.

ESSENTIAL FUNCTIONS:

1. The Principal exhibits and utilizes professional knowledge in an effective manner.

The Principal will:

- a. Demonstrate a working knowledge of the Middle School Concept of Education.
- b. Assist in the selection and assignment of middle school personnel based on knowledge of ability, qualifications, past performance and middle school needs.
- c. Demonstrate knowledge of District and middle school curriculum.
- d. Lead curriculum development activities providing opportunities and encouragement for increased staff program expertise and involvement.
- e. Implement the District approved curricular scope and sequence in the middle school setting.
- f. Administer systematic and effective methods of objectively monitoring student progress.
- g. Utilize test results in analyzing program effectiveness and identifying areas needing improvement.
- h. Demonstrate continued personal growth through participation in professional activities and organizations.
- i. Evaluate progress toward instructional goals and objectives and make needed adjustments.
- j. Provide leadership in identifying and solving issues and problems facing the profession.

2. The Principal utilizes effective strategies and activities in the performance of job responsibilities.

The Principal will:

- a. Effectively supervise the instructional performance of the professional staff through frequent and ongoing observation and evaluation.
- b. Provide assistance to the professional staff in developing effective classroom management and discipline techniques appropriate to the middle school student.
- c. Act as a role model for expected staff behavior by demonstrating leadership, management, and instructional skills.
- d. Implement an effective orientation program for newly assigned personnel.

- e. Demonstrate prudent risk taking and vision in the interest of school improvement.
- f. Establish and clearly communicate building priorities and long range goals.
- g. Administer school budget(s) in accordance with system regulations, board policies, and legal requirements.
- h. Implement a fair, consistent, and effective program of teacher evaluation.

3. The Principal is effective in planning and preparation for job responsibilities.

The Principal will:

- a. Develop and implement administrative procedures consistent with federal law, state school law, state board of education and local school board policy.
- b. Make decisions based on consideration of alternatives, consequences, and applicable research.
- c. Promote the incorporation of community resources into the middle school program.
- d. Provide for the maintenance of accurate and current personnel, student, and fiscal records.
- e. Establish and/or maintain safety and security arrangements for school plant facilities and equipment.
- f. Supervise the preparation of accurate budgets and effectively monitor expenditures.
- g. Ensure the accurate and efficient preparation of required district reports and requisitions.
- h. Monitor and audit student activity accounts.
- i. Supervise health, guidance, and attendance services to insure the humane treatment of all students.

4. The Principal exhibits effective human relation skills within the educational environment.

The Principal will:

- a. Develop and maintain positive staff morale.
- b. Personally interact with parent groups to promote positive school-community relations.
- c. Encourage parent visits and involvement in school activities.
- d. Provide appropriate orientation and induction programs for teachers and staff members.
- e. Demonstrate fair and equitable treatment of all teachers, staff and students.

5. The Principal effectively interacts with students.

The Principal will:

- a. Demonstrate an understanding of pre- and early adolescent students.
- b. Establish high expectations for student achievement that are directly communicated to students.

- c. Maintain adequate student discipline through the implementation of a fair and effective discipline code.
- d. Provide for adequate supervision and acceptable student behavior at all middle school sanctioned or sponsored activities.
- e. Encourage and allow students and student organizations to give meaningful and appropriate input to the operation of the school.

6. The Principal effectively communicates with others.

The Principal will:

- a. Define, articulate and promote the internalization of a middle school philosophy.
- b. Provide for systematic, two-way communication with teachers, staff and the community.
- c. Implement an effective method for reporting student progress.
- d. Communicate effectively both orally and in writing with the various elements of the school community.
- e. Effectively communicate and support management team decisions and school board policies.
- f. Effectively interact with management personnel in sharing ideas, problems, expertise, resources and personnel.

7. The Principal manages time effectively.

The Principal will:

- a. Ensure that student and teacher schedules are developed which promote school objectives and minimize conflict.
- b. Establish clear rules and expectations for the use of time allocated to instruction.
- c. Complete assigned tasks on time.

8. Other Responsibilities.

The Principal will:

- a. Perform such other tasks and assume such other responsibilities as the Superintendent may assign.
- b. Maintain regular attendance.

QUALIFICATION REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and/or Experience: Broad knowledge of the principles and practices of school administration and of current educational trends in curriculum and instruction; comprehensive knowledge of the methods, materials, procedures, and practices of the specialties assigned to the office; ability to establish and maintain effective working relationships with staff and citizens; ability to manage fiscal, physical, and human resources to successfully carry out the function and programs of the office; ability to communicate effectively, both orally and in writing.

Valid state certification in school administration; a master's degree in education or school administration (Ed.S., EdD. or Ph.D. degree preferred); a minimum of five years of progressively more responsible experience in teaching, related education specialty, supervision or administration; or equivalent education and experience; preferable in an inner city school.

Language Skills: Ability to read, write and interpret documents such as curriculum guides, budgets, test results, labor contracts, grant applications, statutes and policies. Ability to understand and generate written memorandums, employee evaluations, and correspondence with business and public contacts. Ability to write routine reports and correspondence. Ability to speak effectively to individuals and groups.

Mathematical Skills: Ability to add, subtract, multiply and divide in all units of measure, using whole numbers, common fractions and decimals. Ability to apply ratio, percent, probability and estimation concepts. Possess an understanding of, and the ability to interpret for others, statistical information.

Reasoning Ability: Ability to apply common sense understanding to potentially technical situations. Ability to establish priority ordering of tasks necessary to complete a project and convey these understandings and priorities to others. Ability to employ logical sequencing, trouble-shooting, problem solving and decision-making skills.

Other Skills and Abilities: Must have a working knowledge of computers and their capabilities.

Physical Demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is regularly required to sit, to stand, to walk, to go up and down stairs, to operate foot and hand controls, to use a telephone and to write. Occasionally the employee must lift and/or move up to twenty (20) or more pounds. This position requires accurate perceiving of sound, near and far vision, depth perception, handling and working with educational materials and objects, and providing oral information.

Terms of Employment: Salary based on Principal's salary schedule

Teacher Job Description

A major priority in the District is to have a fully certified / licensed teacher in every classroom. The District seeks qualified candidates who are innovative, enthusiastic, and are looking for the opportunity to make a difference. (LAUSD)

The Federal legislation, "HR1 No Child Left Behind Act of 2001", requires that all public school districts hire "Highly Qualified" teachers for their schools. Therefore, the employment process for teachers has become extremely selective and competitive. The LAUSD is committed to hiring teachers who meet the NCLB definition of a highly qualified teacher.

Teacher candidates will hold a teaching credential / certificate must meet the following minimum LAUSD employment standards:

- Successful completion of the California Basic Educational Skills Test (CBEST).
- Completion of a Baccalaureate degree from an accredited college or university.
- Attainment of a grade point average of at least 2.7 overall.

The Application Process

Step 1: Complete the [Online Application](#).

Step 2: Applications will be reviewed based on the needs of the District and current selection criteria. Candidates may receive an e-mail requesting additional documents, as needed. After application review, selected candidates may be scheduled for an interview with Human Resources.

Step 3: After the Human Resources interview, candidates who meet District standards may be referred to schools where positions are available.

Step 4: School site interview committees will invite selected candidates for interview and make their final selection.

Step 5: Selected candidates will visit LAUSD Central Offices to finalize:

- Credential Verification
- Health clearance, including tuberculosis testing
- Fingerprinting
- Contracting
- Salary Placement

Other job duties:

- Establish and enforce rules for behavior and procedures for maintaining order among the students for whom they are responsible.
- Adapt teaching methods and instructional materials to meet students' varying needs and interests.

- Instruct through lectures, discussions, and demonstrations in one or more subjects such as English, mathematics, or social studies.
- Prepare, administer, and grade tests and assignments in order to evaluate students' progress.
- Establish clear objectives for all lessons, units, and projects, and communicate these objectives to students.
- Plan and conduct activities for a balanced program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate.
- Maintain accurate, complete, and correct student records as required by laws, district policies, and administrative regulations.
- Observe and evaluate students' performance, behavior, social development, and physical health.
- Prepare materials and classrooms for class activities.
- Assign lessons and correct homework.
- Enforce all administration policies and rules governing students.
- Confer with parents or guardians, other teachers, counselors, and administrators in order to resolve students' behavioral and academic problems.
- Prepare students for later grades by encouraging them to explore learning opportunities and to persevere with challenging tasks.
- Prepare objectives and outlines for courses of study, following curriculum guidelines or requirements of states and schools.
- Meet with parents and guardians to discuss their children's progress, and to determine their priorities for their children and their resource needs.
- Guide and counsel students with adjustment and/or academic problems, or special academic interests.
- Meet with other professionals to discuss individual students' needs and progress.
- Prepare and implement remedial programs for students requiring extra help.
- Prepare for assigned classes, and show written evidence of preparation upon request of immediate supervisors.
- Use computers, audiovisual aids, and other equipment and materials to supplement presentations.
- Instruct and monitor students in the use and care of equipment and materials, in order to prevent injury and damage.
- Prepare reports on students and activities as required by administration.
- Confer with other staff members to plan and schedule lessons promoting learning, following approved curricula.
- Collaborate with other teachers and administrators in the development, evaluation, and revision of middle school programs.

- Attend professional meetings, educational conferences, and teacher training workshops in order to maintain and improve professional competence.
- Perform administrative duties such as assisting in school libraries, hall and cafeteria monitoring, and bus loading and unloading.
- Administer standardized ability and achievement tests, and interpret results to determine student strengths and areas of need.
- Organize and label materials, and display students' work.
- Organize and supervise games and other recreational activities to promote physical, mental, and social development.
- Attend staff meetings, and serve on staff committees as required.
- Plan and supervise class projects, field trips, visits by guest speakers or other experiential activities, and guide students in learning from such activities.
- Select, store, order, issue, and inventory classroom equipment, materials, and supplies.
- Sponsor extracurricular activities such as clubs, student organizations, and academic contests.
- Provide disabled students with assistive devices, supportive technology, and assistance accessing facilities such as restrooms.
- Supervise, evaluate, and plan assignments for teacher assistants and volunteers.

Title I / Bilingual Coordinator Job Description

Primary Function: Provides leadership in the development, planning and improvement of Title I programs; monitor implementation of the District's Title I program and develop appropriate reports for state and federal agencies.

Directly Responsible To: Principal and Local District 6 Superintendent
