PURPOSE: The purpose of this memorandum is to inform schools of the locations of the Student Testing Branch's Testing Centers, and to inform schools of their Testing Center assignment for the 2021-22 school year.

MAJOR CHANGES: This revision replaces MEM-096303, dated August 17, 2020.

GUIDELINES: I. BACKGROUND

Testing Centers manage the collection of all test materials for the California Assessment of Student Performance and Progress (CAASPP), the English Language Proficiency Assessments for California (ELPAC), School Experience Survey (SES), and the Otis-Lennon School Ability Test (OLSAT). All test materials must be submitted on due dates outlined in the respective Administration Instructions (CAASPP, ELPAC) or Reference Guides (SES, OLSAT) for each test. CAASPP and ELPAC Administration Instructions are posted on the [Student Testing Branch webpage](#) and Reference Guides are posted in [E-Library](#).

II. TESTING CENTER OPERATIONS

The South, Valley and West Testing Centers are open only on a limited basis. Dates are announced by the Student Testing Branch in the Administration Instructions for each testing program. District staff must make an appointment through the STB Portal before visiting one of our Testing Centers. Note that appointments are available only on scheduled turn-in days.

Schools that need to turn in tests or other materials on a date when South, Valley and West Testing Centers are closed will be required to drop off materials at Central Testing Center. District staff will still need to make an appointment to visit Central Testing Center. If you have questions, call the STB Helpdesk at 213-241-4104.

Only the preferred school location is listed in the school list on Attachment B.

ASSISTANCE: For assistance or further information, please contact the Student Testing Branch, at (213) 241-4104.
