

Our Mission and Vision

After listening to our community and holding up our District Goals as our primary drivers, we have developed the following **Mission, Vision, and Theory of Action** to outline, respectively, why we do what we do, where we want to go, and how we believe we will get there.

Mission

Realizing excellence for all students by providing the unique, rigorous, and culturally relevant education that each and every student deserves.

Vision

Los Angeles Unified will be the premier public school district by eliminating educational inequities to graduate ALL students ready for the world – to thrive in college, career, and life.

Theory of Action

When we:

- learn from our community and bring the lived experiences of our students and families into our planning
- support our teachers, leaders, and staff to deliver academically challenging, data-informed, and equity-driven education
- proactively collect, analyze, and share information that clearly defines where our students stand in terms of academics and social-emotional wellness, and
- align our actions and resources at every level of the organization to drive improvement in teaching and learning

Then:

- All Los Angeles Unified students will graduate **READY FOR THE WORLD** – to thrive in college, career, and life.
