### Dance

Students perceive and respond, using the elements of dance. They demonstrate movement skills, process sensory information, and describe movement, using the vocabulary of dance.

#### Development of Motor Skills and Technical Expertise

1. **Demonstrate focus, physical control, coordination, and accurate reproduction in performing locomotor and axial movement.**

2. **Incorporate a variety of force/energy qualities into executing a full range of movements.**

#### Comprehension and Analysis of Dance Elements

1. **Identify and use force/energy variations when executing gesture and locomotor and axial movements.**

2. **Use the principles of contrast, unity, and variety in phrasing in dance studies and dances.**

#### Development of Dance Vocabulary

1. **Describe and analyze movements observed and performed, using appropriate dance vocabulary.**

---

### Music

Students read, note, listen to, analyze, and describe music and other aural information, using the terminology of music.

#### Read and Notate Music

1. **Read, write, and perform intervals and triads.**

2. **Read, write, and perform rhythmic and melodic notation, using standard symbols for pitch, meter, rhythm, dynamics, and tempo in duple and triple meters.**

3. **Transcribe simple aural examples into rhythmic notation.**

4. **Sight-read simple melodies in the treble clef or bass clef.**

#### Listen to, Analyze, and Describe Music

1. **Analyze and compare the use of musical elements representing various genres and cultures, emphasizing meter and rhythm.**

2. **Describe larger music forms (sonata-allegro form, concerto, theme and variations).**

---

### Theatre

Students observe their environment and respond, using the elements of theatre. They also observe formal and informal works of theatre, film/video, and electronic media and respond, using the vocabulary of theatre.

#### Development of the Vocabulary of Theatre

1. **Use the vocabulary of theatre, such as action/reaction, vocal projection, subtext, theme, mood, design, production values, and stage crew, to describe theatrical experiences.**

#### Comprehension and Analysis of the Elements of Theatre

1. **Identify how production values can manipulate mood to persuade and disseminate propaganda.**

---

### Visual Arts

Students perceive and respond to works of art, objects in nature, events, and the environment. They also use the vocabulary of the visual arts to express their observations.

#### Develop Visual Arts Knowledge and Vocabulary

1. **Identify and describe all the elements of art found in selected works of art (color, shape/form, line, texture, space, value).**

2. **Discuss works of art as to theme, genre, style, idea, and differences in media.**

3. **Describe how artists can show the same theme by using different media and styles.**

#### Analyze Art Elements and Principles of Design

1. **Describe how balance is effectively used in a work of art (e.g., symmetrical, asymmetrical, radial).**

**Students apply choreographic principles, processes, and skills to create and communicate meaning through the improvisation, composition, and performance of dance.**

### Creation/Invention of Dance Movements

2.1 Invent multiple possibilities to solve a given movement problem and develop the material into a short study.

2.2 Compare and demonstrate the difference between imitating movement and creating original material.

**Application of Choreographic Principles and Processes to Creating Dance**

2.3 Describe and incorporate dance forms in dance studies.

2.4 Demonstrate the ability to coordinate movement with different musical rhythms and styles (e.g., ABA form, canon).

2.5 Use the elements of dance to create short studies that demonstrate the development of ideas and thematic material.

**Communication of Meaning in Dance Through Dance Performance**

2.6 Demonstrate an awareness of the body as an instrument of expression when rehearsing and performing.

2.7 Revise, memorize, and rehearse dance studies for the purpose of performing for others.

### Development of Partner and Group Skills

2.8 Demonstrate an ability to cooperate and collaborate with a wide range of partners and groups (e.g., imitating, leading/following, mirroring, calling/responding, echoing, sequence building).

2.9 Use various observational drawing skills to depict a variety of subject matter.

2.10 Apply the rules of two-point perspective in creating a thematic work of art.

2.11 Create a drawing, using varying tints, shades, and intensities.

### Apply Vocal and Instrumental Skills

2.1 Sing a repertoire of vocal literature representing various genres, styles, and cultures with expression, technical accuracy, good posture, tone quality, and vowel shape—written and memorized, by oneself and in ensembles (level of difficulty: 1 on a scale of 1–6).

2.2 Sing music written in two parts.

2.3 Perform on an instrument a repertoire of instrumental literature representing various genres, styles, and cultures with expression, technical accuracy, tone quality, and articulation, by oneself and in ensembles (level of difficulty: 1 on a scale of 1–6).

### Compose, Arrange, and Improvise

2.4 Compose short pieces in duple and triple meters.

2.5 Arrange simple pieces for voices or instruments, using traditional sources of sound.

2.6 Improvise simple melodies.

Students analyze the function and development of dance in past and present cultures throughout the world, noting human diversity as it relates to dance and dancers.

### Development of Dance

3.1 Compare and contrast features of dances already performed from different countries.

### History and Function of Dance

3.2 Explain the importance and function of dance in students' lives.

### Diversity of Dance

3.3 Explain the various ways people have experienced dance in their daily lives (e.g., Roman entertainments, Asian religious ceremonies, baby naming in Ghana, Latin American celebrations).

Students analyze the role of music in past and present cultures throughout the world, noting cultural diversity as it relates to music, musicians, and composers.

### Role of Music

3.1 Compare music from two or more cultures of the world as to the functions the music serves and the roles of musicians.

3.2 Listen to and describe the role of music in ancient civilizations (e.g., Chinese, Egyptian, Greek, Indian, Roman).

### Diversity of Music

3.3 Describe distinguishing characteristics of representative musical genres and styles from two or more cultures.

3.4 Listen to, describe, and perform music of various styles from a variety of cultures.

3.5 Classify by style and genre a number of exemplary musical works and explain the characteristics that make each work exemplary.

Students analyze the role and development of theatre, film/video, and electronic media in past and present cultures throughout the world, noting diversity as it relates to theatre.

### Role and Cultural Significance of Theatre

3.1 Create scripts that reflect particular historical periods or cultures.

3.2 Differentiate the theatrical traditions of cultures throughout the world, such as those in Ancient Greece, Egypt, China, and West Africa.

### History of Theatre

3.1 Research and discuss the role of the visual arts in selected periods of history, using a variety of resources (both print and electronic).

3.2 View selected works of art from a culture and describe how they have changed or not changed in theme and content over a period of time.

### Diversity of the Visual Arts

3.3 Compare, in oral or written form, representative images or designs from at least two selected cultures.

Students critically assess and derive meaning from works of dance, performance of dancers, and original works based on the elements of dance and aesthetic qualities.

**Description, Analysis, and Criticism of Dance**

4.1 Apply knowledge of the elements of dance and the craft of choreography to critiquing (spatial design, variety, contrast, clear structure).

4.2 Propose ways to revise choreography according to established assessment criteria.

**Meaning and Impact of Dance**

4.3 Discuss the experience of performing personal work for others.

4.4 Distinguish the differences between viewing live and recorded dance performances.

**Analyze and Critically Assess**

4.1 Develop criteria for evaluating the quality and effectiveness of musical performances and compositions, including arrangements and improvisations, and apply the criteria in personal listening and performing.

4.2 Propose ways to revise choreography according to established assessment criteria.

**Derive Meaning**

4.1 Develop criteria for evaluating the quality of music and the performance of musicians in a cultural context according to the elements of music, aesthetic qualities, and human responses.

4.2 Explain how various aesthetic qualities convey images, feelings, or emotion.

4.3 Identify aesthetic qualities in a specific musical work.

4.4 Develop specific criteria as individuals or in groups to assess and critique works of art.

4.5 Change, edit, or revise their works of art after a critique, articulating reasons for their changes.

**Critical Assessment of Theatre**

4.1 Develop and apply appropriate criteria for evaluating sets, lighting, costumes, makeup, and props.

4.2 Identify examples of how theatre, television, and film can influence or be influenced by politics and culture.

**Derivation of Meaning from Works of Theatre**

4.1 Develop criteria for evaluating the quality and effectiveness of musical performances and compositions, including arrangements and improvisations, and apply the criteria in personal listening and performing.

4.2 Identify examples of how theatre, television, and film can influence or be influenced by politics and culture.

**Make Informed Judgments**

4.1 Construct and describe plausible interpretations of what they perceive in works of art.

4.2 Identify and describe ways in which their culture is being reflected in current works of art.

4.3 Develop specific criteria as individuals or in groups to assess and critique works of art.

4.4 Change, edit, or revise their works of art after a critique, articulating reasons for their changes.

Students apply what they learn in dance to learning across subject areas. They develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. They also learn about careers in and related to dance.

**Connections and Applications Across Disciplines**

5.1 Describe how other arts disciplines are integrated into dance performances (e.g., music, lighting, set design).

5.2 Describe the responsibilities a dancer has in maintaining health-related habits (e.g., balanced nutrition, regular exercise, adequate sleep).

**Development of Life Skills and Career Competencies**

5.3 Identify careers in dance and dance-related fields (e.g., teacher, therapist, videographer, dance critic, choreographer, notator).

---

Students apply what they learn in music across subject areas. They develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. They also learn about careers in and related to music.

**Connections and Applications**

5.1 Describe how knowledge of music connects to learning in other subject areas.

**Careers and Career-Related Skills**

5.2 Identify career pathways in music.
