

Calendar Section

The Calendar View opens the current month.

The screenshot shows the LAUSD user interface. At the top, there is a navigation bar with 'LAUSD', 'Home', 'Courses', and 'Groups' menus, and a user profile for 'STUDENT TWO'. On the left, a sidebar contains 'Summary', 'Grades', 'Mastery', 'Calendar', and 'Messages'. The main area is titled 'Calendar' and displays a monthly view for August 2016. Annotations include: an arrow pointing to the 'Calendar' link in the sidebar with the text 'Calendar Section'; an arrow pointing to the 'August 2016' header with the text 'Navigate to View Past and Future Months'; an arrow pointing to the 'Month', 'Week', and 'Day' view selectors with the text 'View Month, Week or Day'; and an arrow pointing to the event list for August 22nd with the text 'See Assignment Names and Due Dates'. Below the calendar, there are four colored buttons: 'Personal' (blue), 'School' (pink), 'Groups' (green), and 'Courses' (orange).

Calendar events are color-coded. Events from your personal calendar appear in blue. School level events are pink. Group events show in green. Assignments are orange. The current day is highlighted in yellow.

Roll over the assignment to get details about the assignment course and period.
