CSET TEST RESULTS RELEASE DATES Multiple Subject CSET

It is important to select test dates that will allow you to receive the results prior to the expiration of your permit to teach (PIP or STSP) or Contract.

The Calendar of all CSET Test Result Release dates can be accessed at the website below:

http://www.ctcexams.nesinc.com/PageView.aspx?f=GEN_GetResults.html

The dates for the Multiple Subject CSET are included here for your convenience.

Remember to check the application deadlines for the intern program you would like to enter, and plan to have your results by that date. It is best to explore several intern options in case your first choice does not work out.
