### Annual Verification of Eligibility for the Los Angeles Unified NBC Incentive

NBC Teachers must validate their eligibility for the NBC Incentive each year. It is best to complete these steps as soon as possible after July 1st, but before the deadline.

Access code for the 21 22 PAC and Commitment Form Submission course: 3GQJ-69XP-KMNZ2

- ◇ **Submit your Principal/Supervisor Assignment Certification**
  - ◇ The PAC form is posted on the Forms page of the NBC website and in the 21 22 PAC and Commitment Form Submission course
  - ◇ The PAC has changed this year. All highlighted fields must be completed.
  - ◇ The PAC requires 2 checkmarks for eligible status—one to indicate 100% or 50% eligibility and a second to indicate if it is a full time classroom teacher position or if part or all of the assignment is out of the classroom.
  - ◇ If part or all of the assignment is out of the classroom you must also submit confirmation that the position has been confirmed as eligible for the incentive as part of the PAC submission—see the eligibility section of the forms page for more information
- ◇ **Submit your Commitment Form**
  - ◇ Open the Commitment Form Assignment
  - ◇ Click on the link and complete the form
  - ◇ Upload the commitment form confirmation or a screenshot of the first page

**Due Date:**  
**Sept. 19, 2021**

### Out of the Classroom Positions

In the past, only full time classroom positions were eligible for the NBC incentive. However, there are now a few assignments which qualify. If all or part of your assignment is an out of the classroom position additional steps must be taken to confirm eligibility. These steps must be completed annually, even if approved in the past.

1. Notify the NBC office of the assignment.
  - ◇ Read all of the documents regarding eligibility and requirements in the eligibility section of the forms page of the NBC website
  - ◇ Post a copy of the official job flyer/description and a sample monthly calendar (using the provided template) in the NBC Out-of-Classroom Schoology course., access code: M2ZF-9XD6-54TNJ
  - ◇ Once the position has been approved include a screenshot of the grades page showing the eligibility % with your PAC.
  - ◇ A monthly calendar confirming the daily number of hours in the classroom providing direct instruction to students will need to be submitted each month.
  - ◇ If 50% eligibility, payment of the base incentive will occur every other month; the PAC and Commitment Form must have been submitted to activate
