### NBC Logs—The log submission course will open in October

- ◇ Only current year documents will be accepted.
- ◇ Guidelines and log pages are posted on the Guidelines page of the NBC website. There are significant changes this year—be sure to re-view carefully.
- ◇ Don't forget to get all logs signed (drawn or digital with visible authentication) as you complete hours, logs and evidence.
- ◇ Find a safe place for your logs and evidence and have a back-up in a different location.
- ◇ If you don't know how to create multi-page pdf forms now is the time to practice. There is a link to a video on the website that shows how to use a smart phone to do so. Most schools also have a Toshiba copier that will make multi-page PDF documents.
