**Subject:** Fall Back 🍂 But Don't Get Left Behind — Join the UNICEF Kid Power Team

Hi Fenwick,

Did you know that 95% of teachers who have participated in UNICEF Kid Power say they would do it again? One teacher in California shared:

*"My students feel motivated to move! Wearing the Kid Power Bands has built a sense of team spirit in both my class and our school at large. My kids feel proud to be a part of something larger than just themselves."*

We want you to join the UNICEF Kid Power Team — but time and space are limited! **Here are two easy steps to join:**

1. [Apply today](#) to participate in our FREE three-month program.
2. If your school is not eligible, you can still [buy a classroom kit](#) from the online Scholastic Teacher Store.

**Each UNICEF Kid Power classroom kit comes with:**

- UNICEF Kid Power Band for each student (and you!)
- A data enabled tablet to sync Bands with the UNICEF Kid Power App
- Online access to our standards-aligned curriculum (grades 3-8)
- Personal support from the UNICEF Kid Power customer service team

UNICEF Kid Power is a program of the U.S. Fund for UNICEF, and is made possible through the generous support of Presenting Sponsors *Star Wars: Force for Change* and Target. To learn more, visit [schools.unicefkidpower.org](http://schools.unicefkidpower.org).
