04/28/2021 Officer Planning Meeting  
05/12/2021 Presentation to the Special Education Committee

Dear Membership:

Good afternoon, everyone! I will make my comments today brief today, because we have a very full agenda.

For our meeting today, the Division of Special Education will be presenting on Inclusion and how student's with (dis)abilities in LAUSD will be supported in integrating successfully into co-learning environments with their non-(dis)abled peers.

We will also receive updates from the Division of Special Education on school reopening as they pertain to students with (dis)abilities and plans to address the loss of learning and skills that so many students experienced during school closures.

Today, we also welcome LAUSD Board President, Kelly Gonez. This is her second visit to the CAC, and I hope you all take this opportunity to connect with her to ask questions and offer feedback in support improved outcomes for our students.

Speaking of our students, today, we will also enjoy a presentation from our CAC student members. I look forward to hearing their comments and feedback, since it is for them that we do this work.

Thanks everyone, and please join me in welcoming Board Member Kelly Gonez!

Sincerely,

Lisa Mosko
