Recruitment

- Teachers

Local Districts (8.5M):

- Provide professional development and training opportunities for educators at the local district level
- Support educators in developing strategies to increase achievement

Division of Instruction (10.8M):

- Professional development to support teacher leadership, resource development and effective teaching in science, and English Language Arts
- Positions to support professional development and resources in various areas e.g., Equitable Grading and Instruction, STEAM, Personalized Learning Systems
- Professional development to support engagement, standards-based instruction, secondary science, STEAM and middle school math.

TITLE III: 2021-22 ENTITLEMENT \$11.6M

*Carryover: \$10.1M**

Private School Share of Entitlement: \$150,677

Purpose: To support English Learners in attaining English Language proficiency and meeting State academic standards. The English Learner Journey begins with identification and ends with graduation of multilingual students.

Support to Schools:

MMED and Local Districts provide support and technical state/federal EL guidance to school sites by offering professional development to teachers, EL Designees and administrators based on data such as the monthly English Learner Typology Monitoring Report and the MMED FOCUS Dashboard.

MMED Centrally Administered Programs (7.6M)

- Designated and Integrated ELD Lessons-\$450,000
- Professional Development on EL Strategies-\$6,573,508
- English Learner and Dual Language Micro-Credential Program- \$50,000
- Family Outreach and Training Development-\$58,850
- Master Plan Institute for Title III Coaches-\$441,150

Local District Support to Schools (13M)

- 155 Title III Instructional Coaches-\$10,948,370
- Professional Development on EL Strategies-\$1,795,793
- Intervention/Enrichment-\$264,608

2% Indirect Administrative Cost (\$426,492)

- Fund indirect cost such as clerical and/or administrative supervisory support.

* Yearly Title III entitlement has been decreasing for the last three years due to a drop on EL enrollment and higher reclassification of ELs. Available amount includes salary savings based on Title III EL Instructional Coach vacancies. Available Title III resources have a 27-month use period, making it flexible to utilize all available funds the following academic year.

TITLE IV 2021-22 ENTITLEMENT: \$25.3M

Carryover: \$22.8M

Private School Share of Entitlement and Carryover: \$3.4M

Commented [1]: Title IV is complete, though pending updated dollar amounts from fiscal (highlighted in yellow)

Purpose: To improve academic achievement by increasing district capacity to provide a well-rounded education, improve school conditions for learning, and improve use of technology.

Well-Rounded Education (\$25.8M)

- Professional development and support to implement Equitable Grading and Instruction
- Professional Development for elementary ELA, History/Social Sciences, Math (CGI), Science
