

**Community Advisory Committee (CAC)
Administrator's Report
February 20, 2019**

District Updates

- The entire District is in mourning at the passing of Dr. Michelle King, former Superintendent of LAUSD. She was a great supporter of parents, students and schools. Dr. King understood our schools and their needs and had a great impact on our schools. Dr. King will be missed.
- Jacquelyn Smith Conkleton passed away in January. She was a parent leader that believed in empowering parents with knowledge so that they could advocate for their children. Ms. Smith Conkleton served on the CAC and PAC and other school and District parent committees. We will miss her advocacy for parents and students.
- Superintendent Beutner will meet with all three Central District Parent Committee members on March 1, 2019 from 10:00-12:00 p.m. Please provide ideas or questions that you would like the Superintendent to address to Dr. Danny Dixon, danny.dixon@lausd.net. Last year when we met with the Superintendent we had an average of 35 parents participate in the three sessions. We are going to ask that CAC members RSVP for this session so we can plan for the number of participants who can commit to attending.
- Thank you to all the parents for their support of our schools during the strike. Also thank you for your flexibility in terms of the PCS sessions we had to postpone. The PCS staff was either answering the phones at the Call Center or at schools in the classrooms with students.
- February 27, 2019—"I'm-In" District Event-Superintendent Beutner is asking that the officers of CAC participate in an event where community partners, politicians and funders get an opportunity to interact with parents and District staff in order to share the needs of our schools and students. This will help the District communicate the needs that parents see firsthand regarding our schools. As we know CAC officers have the responsibility of representing CAC at District events. We look forward to hearing from them in March regarding the event.
- "From Parent Involvement to Parent Empowerment" Development Session—

February 19, 2019-Definition of Parent Engagement	March 29, 2019-Finalize Indicators
February 27, 2019 -Draft Indicators for Possible Rubric	April 9, 2019 -Assess Engagement Rubric Part I
March 13, 2019 -Look-for's in Engagement Rubric	April 29, 2019 -Assess Engagement Rubric Part II

Committee Update

CAC should identify two members who can participate in the District's Attendance Committee. This committee meets once a month. We also need 4 CAC members who will participate in the Professional Development planning sessions for our members.

PCS Update

Dr. Rosalinda Lugo, Ed.D., PCS Administrator will be on a medical leave for the next few weeks. She will return on February 27, 2019. She is in daily communication with our office. Please see Danny Dixon or Diane Panossian with any questions.

Upcoming Central District Parent Committee Trainings: Winter/Spring 2019

Committee Trainings: We sent a revision of the 2019 Central District Parent Committees Training Schedules. Please plan on participating on as many of these as you can.
