

Division of Special Education Update

- Division of Special Education preparation for potential teacher work stoppage
- Reimagining Update
- Behavior Intervention Implementation Pilot Expansion Exploration

SELPA Update

Legislative priorities have been established for the SELPA organization including:

- Special education funding
- Teacher and service provider shortage

Fiscal:

- Legislative Analyst's Office (LAO) released its 2019-2020 Proposition 98 Outlook. Based on this information Local Education Agencies (LEAs) may need to prepare for a recession scenario by increasing their reserves, paying down liabilities, and not making ongoing spending commitments.
