

LOS ANGELES UNIFIED GUIDE TO VOLUNTEERING: **VIRTUAL AND ON-CAMPUS**

FALL 2021

The volunteer program in place prior to the start of the pandemic resumed this school year and will follow the District's COVID-19 safety protocols. This means approved volunteers are returning to campus fulfilling tasks such as supporting the classroom, playground, and dining areas, in addition to mentoring, providing student services, and supporting campus beautification. Los Angeles Unified will also continue to offer virtual volunteer opportunities. We greatly missed volunteers and look forward to supporting them with training as they return to campus.

How can I become a volunteer in the Los Angeles Unified?

Register and fill out an application at <https://volunteerapp.lausd.net>. See page 4 of this document for detailed steps in the process. Please note that filling out an application to volunteer does not guarantee volunteer placement.

What safety precautions will a volunteer be asked to fulfill beginning on the first day of school?

Los Angeles Unified continues to uphold the highest standards of health and safety. The District will continue to provide free COVID-19 testing on school campuses and regional testing sites for every volunteer. Volunteers will also have to upload proof of full COVID-19 vaccination, complete the daily health screening and get a Daily Pass QR code scanned. Proof of full COVID-19 vaccination is required for all volunteers and must be uploaded to the Daily Pass. See page 2 for more detailed information about COVID-19 vaccination requirements. For assistance, volunteers may contact their school or Los Angeles Unified Family Hotline at 213-443-1300.

What can VIRTUAL volunteers do?

- Assist with the preparation of teacher projects in a manner that does not require student interaction, e.g. compiling a list of online books available through the Los Angeles Public Library.
- Edit/proof-read documents.
- Create or recreate digital documents.

What can ON-CAMPUS volunteers do?

- Assist families by providing information and guidance at campus main entrances.
- Assist as a playground volunteer.
- Assist with compiling packets/materials in the office.
- Provide support from the Parent and Family Center.
- Assist in the classroom.
- Assist in dining facilities/cafeteria.
- Assist students with college applications, mentoring and enrichment services.

For other on-campus opportunities, school staff may contact Local District Parent and Community Engagement (PACE) and Office of Parent and Community Services at families@lausd.net.

Please contact the site where you would like to volunteer to see what specific volunteer opportunities are available.

Is a COVID-19 vaccination a requirement to volunteer ON-CAMPUS?

Yes. Volunteers must receive one dose of the COVID-19 vaccine by October 15, 2021 to continue to volunteer on campus. The timelines for the second dose will follow deadlines established for employees. On-campus volunteers must upload proof of full COVID-19 vaccination and have the documentation approved by the District in the LAUSD Daily Pass. For steps on how to upload proof of COVID-19 vaccination, see page 3. COVID-19 vaccination requirements may change depending on local, state, and federal guidance and District policy. When applying, all on-campus volunteer candidates will be asked to accept a liability waiver in the event they contract COVID-19. To find a COVID-19 vaccination location at a Los Angeles Unified site, schedule your COVID-19 vaccination through the Daily Pass at <https://dailypass.lausd.net> or visit <https://achieve.lausd.net/covidvaccineapp>.

What other clearances are necessary to volunteer ON-CAMPUS?

On-campus volunteers, in addition to being cleared through the online CA Megan's Law website, will need to have a valid Tuberculosis (TB) clearance date and must submit a Daily Pass each day they will be on campus. For assistance, contact your school site or the Los Angeles Unified Family Hotline at 213-443-1300.

How do I get fingerprint clearance? Is there a fee?

Step 1: First, check with your volunteer site to confirm that fingerprinting is necessary for your volunteer assignment. Then, visit <http://www.applicantservices.com/LAUVOL>

Step 2: Fill out the required fields, clicking “Next” to move to the next page. Note that many of the fields are already filled out for you. Following these steps will ensure that you will not have to pay a fee. Please follow them carefully. Email families@lausd.net if you need support.

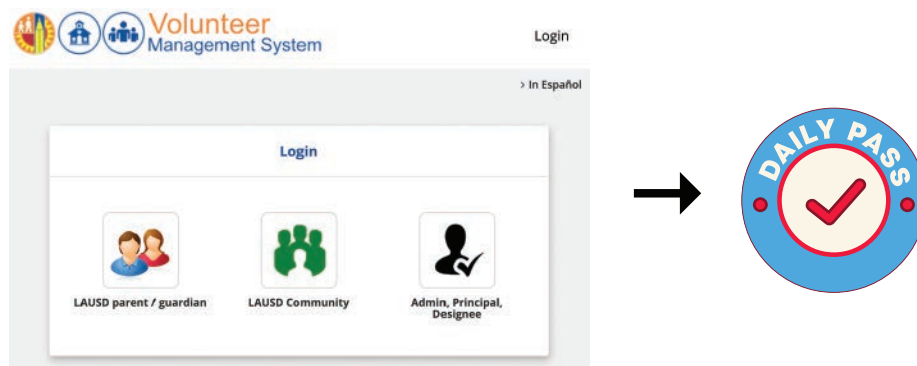

Step 3: When you get to the section that asks for your desired fingerprint location, type in the zip code or address of the area where you would like to fingerprint. Take note of their hours of operation, required documents and health/safety precautions required.

Step 4: Once you have made your appointment, you AND the fingerprint location will get a reminder by email and/or text message 24 hours prior to your appointment.

Step 5: The school or office may ask you to be fingerprinted at an authorized LAUSD fingerprint location if you are volunteering in a virtual setting with breakout rooms or if you are providing Tier III volunteer services.

Accessing the Daily Pass to Generate QR Codes and Upload Proof of COVID-19 Vaccination

It is essential that you use your Volunteer Management System email and password to connect to the **LAUSD Daily Pass** at <https://dailypass.lausd.net>. Here, you can generate a QR code to enter the campus, schedule a COVID-19 test, view COVID-19 test results from LAUSD mobile and regional sites, upload an external negative COVID-19 test result, schedule a COVID-19 vaccination appointment and upload proof of full COVID-19 vaccination. The first time you link your Volunteer Management System email and password to the Daily Pass you will be asked to create a profile, however, after the initial registration you will simply need to sign-in each time to access the site.

Steps to Activate an On-Demand Safety Parent/Guardian/Extended Family Volunteer (On-Demand Safety Volunteer) Application

Interim Superintendent Megan K. Reilly has activated Tier I On-Demand Safety Volunteers for those who are not already approved volunteers and who wish to help their campus in an expedited manner. This option is now accessible to all Los Angeles Unified schools. Volunteers who would like to serve longer term and receive a volunteer badge will complete the online application at <https://volunteerapp.lausd.net>.

Step 1: Volunteer will complete the On-Demand Safety Volunteer paper application, Bulletin 6746.3, Attachment B1/B2

Step 2: Volunteer will show proof of COVID-19 vaccination to school administrator

Step 3: Volunteer will sign the Volunteer Commitment Form, Bulletin 6746.3, Attachment C1/C2

Step 4: Volunteer will make an appointment for a baseline COVID-19 PCR test at a LAUSD regional testing site through <https://dailypass.lausd.net> or with another testing provider.

Steps to Register for an Account and Create a Volunteer Application

Before applying, it is recommended that you reach out to the school or office **where you wish to volunteer** to ensure that there are available opportunities based on your preferred assignment. After the school administrator has approved the application, the Office of Parent and Community Services will issue final clearance and email the volunteer, principal or office designee.

STEP 1:

Register for a Los Angeles Unified volunteer account in the Volunteer Management System by visiting <https://volunteerapp.lausd.net>. If you have already registered for a Parent Portal account, you may use your Parent Portal username and password and skip this step.

- Select “LAUSD parent/guardian” or “LAUSD community member.”
- Click on “Register”.
- Enter all required information.
- To complete the registration process, you will receive an email at the address given with instructions on how to create an account password.
- Follow the link provided in the email and create a password between 10 and 24 characters.

STEP 2:

Once an account has been created, revisit <https://volunteerapp.lausd.net>. Enter your email address and password, and click on “Log in”.

STEP 3:

Select “New Application” and follow the prompts to complete your application. If you need assistance, please call the school/office site. Be sure to select the correct application to indicate if you are applying to volunteer VIRTUALLY or ON-CAMPUS. At the end of each page, click “Next” to continue. You will be asked to review your application before you select “Submit”. Your application is now “Pending” administrator approval.

STEP 4:

Review the Volunteer Commitment Form and notify the school or office that you have completed your application. If you have applied to volunteer on-campus, make your appointment for TB Clearance in order to expedite the next steps in your application. Write down your volunteer identification number and application ID for safekeeping.

STEP 5:

The school or office may ask you to be fingerprinted at an authorized LAUSD fingerprint location if you are volunteering in a virtual setting with breakout rooms.

STEP 6:

You can monitor the status of your application on the Volunteer Management System - <https://volunteerapp.lausd.net>. If you have questions about the status of your application, contact the school where you applied.

Note: As an on-campus volunteer, you may be asked to complete additional health and safety requirements in order to comply with county and state health guidance. Thank you for your understanding!
