**Status of Committee (membership):**

We are currently low on membership, and will be revisiting our bylaws on attendance and how they pertain to our membership. (please refer to New Business).

**Other items:**

At our last meeting, we voted on a motion regarding the bylaws around attendance. We had an unusually high number of abstentions on the vote. The PCS team has polled all members who voted "abstain" to understand the reasons behind their abstentions. The feedback was that there was a lack of clarity around what exactly they were voting on, that the motion had not be put up on the board, and that the proceedings were too rushed to make a decision. In light of this, we are revisiting the idea of voting on this item. (please refer to New Business).
