**SUBJECT: SCHOOL SITE COUNCIL AND ENGLISH LEARNER ADVISORY
COMMITTEE PARENT ORIENTATION AND ELECTION**

The following guidelines are designed to assist school leaders with conducting elections for new parent members on the School Site Council (SSC) and English Learner Advisory Committee (ELAC). Los Angeles Unified *Bulletin 6745.2: Guidelines for the Required School Site Council and English Learner Advisory Committee* provides guidance for school and District office administrators in the formation and functioning of the SSC and ELAC. Provisions of the policy were adapted and aligned to the guidance on public meetings provided by Governor Gavin Newsom in Executive Order 10-25-20 in March of 2020 and the Los Angeles County Public Health recommendations for implementation beginning on August 2020. Los Angeles County Public Health has communicated the following: “Use of school facilities for non-school purposes (community meeting or events, on-site clinic visits by people who are neither students nor staff, etc.) is not permitted¹.” Notwithstanding, Los Angeles Unified remains committed to supporting the role parents play as school leaders on councils and committees and will continue to promote transparency in decision-making, offer equitable access to opportunities, and apply physical distancing as a safety precaution until further guidance is communicated.

Highlights referenced in the attached document include:

- Parents will have the opportunity to self-nominate for a position on the SSC and ELAC prior to the election to promote equitable access.
- To promote transparency, parents attending the election meeting will be voting by announcing their full name, their child’s name, and the candidate(s) for whom they would like to vote.
- Election results will be announced at a later time, after parents are verified in MiSiS, to ensure that parents were duly elected by parents at the school.

Please review the attached document for specific details regarding SSC and ELAC parent election guidelines beginning August 2020.

2020-2021 School Site Council and English Learner Advisory Committee Parent Election Meeting Steps

The School Site Council (SSC) and English Learner Advisory Committee (ELAC) parent elections will be held online this year, requiring different procedures. The principles of equitable access and transparency for all stakeholders will continue to be addressed. A new feature will invite parents to submit a self-nomination form before the election to assist participants who will want to attend the meeting and run for a position. Also, voting will take place through a roll call vote for transparency.

When planning to hold a SSC or ELAC meeting, consider the following steps as guidelines. Job aids and templates are attached. For support, contact your Local District Parent and Community Engagement Administrator listed below.

- STEP 1** **Establish, and communicate to stakeholders, a general timeline of activities for the parent elections:** a. distribution of flyers, b. online orientation, c. distribution of self-nomination form template, d. posting of parent election agenda on-site and online, and e. online election of new members. For prescreening eligibility of candidates and to assist families with online connectivity, provide a few days between the date of submission of the self-nomination form and the election of new members. **Identify specific dates and times** to send notices, email and Blackboard Connect text and/or voice messages as reminders. Overcommunicate the meeting opportunities to families.
- STEP 2** **Establish Zoom links for orientation and election meetings** with translation and waiting room functions enabled. Identify the Dial-in calling information.
- STEP 3** **Distribute information through mail, email and Blackboard Connect text messages** to parents announcing orientation and election information, and the link for submitting a self-nomination form. Offer parents the option to call or email the school to speak with someone specific for assistance with completing the forms.
- STEP 4** **Hold an orientation meeting.** Ask interested participants to identify themselves in the Chat and submit the self-nomination form again, if they have not already done so. Send the form in a link through the Chat feature, and share election meeting information, such as date and time. Save the Chat and record the meeting.
- STEP 5** **Post the election agenda on-site and online, and send the election meeting agenda**, 72 hours before the meeting with the date, time and Zoom log in and Dial-in calling information.
- STEP 6** **On the day of the election**, open the meeting 30 minutes early to resolve connection issues, review staff roles and test the translation feature. The names of the self-nominated candidates should be presented so they are all visible on the meeting screen at the same time. Remind participants that the meeting will be recorded and state that no official winner will be declared at the meeting, because participants present at the meeting need to be verified as parents in MiSiS. Restrict the Chat feature in the Zoom meeting so participants can only communicate with the host/co-host.
- STEP 7** **At the election, first** inform parents how many seats are available and that only they can vote to surrender parent seats to community members. Inquire about whether there are any community members at the meeting who want to serve as SSC members. A motion must be made by parents stating the number of seats that were or were not surrendered. Clarify how many open parent seats are available if community members seats are filled.
- STEP 8** **Finally, at the election**, inform participants that the candidate with the highest votes will be seated provisionally, pending verification of voting participants. Only parents may elect parents. All candidates must be present to be voted for. In the roll call vote, staff will call on participants to state their full names, child's name, and verbally announce their candidate selection. If a participant does not identify himself, his vote cannot be documented. Candidate selections will be tallied visibly. Tally totals must be documented in the meeting's minutes. Each participant's vote must be clearly noted by staff, in case a participant's status as a parent cannot be verified in MiSiS and the vote needs to be annulled.

Due to distance learning, it is recommended to schedule the ELAC and SSC orientation 7 working days prior to the ELAC and SSC election. This will provide greater transparency and equitable access for families, helping a school identify who might be in need of assistance to access the election meeting. In addition, the school is provided additional time to develop a ballot and determine parent eligibility for each committee/council.
