

Division of Instruction

ADVISORY SCHOology GROUP ACCESS CODE: QDXZ-PQWX-BDZRJ

In collaboration with other departments, the Social Emotional Learning Unit has compiled a series of teacher-created advisory lessons for secondary school teachers.

For more information click on the link to contact your Local District SEL Adviser:

2021-2022 ADVISORY RESOURCES

Advisory periods provide a great opportunity for students to receive lessons and activities to support their social emotional needs. Advisory lessons are available to support teachers in grades 6 - 12 as a resource to compliment core classes. Teachers may choose to teach the lessons in any order they see fit. You can access these lessons using your LAUSD account.
