PASSport to Schoology

The Schoology window will open. All courses will appear in the Schoology window, no matter which course name was selected.
Email Conflicts

Each Schoology account must be associated with a unique email account. Schoology will use the email account in PASSPort to create a parent account. If the email in PASSPort has been previously used for a Schoology account, an error message will appear.

Error message indicating an email conflict
Email Conflicts

To correct this, the email address must be changed in PASSport to an email not previously used for Schoology. To do this, go to the main page in PASSport and select Account Settings in the upper right corner.
Email Conflicts

A parent’s email account, the parent’s preferred language and Handbook options may be changed in the Account Settings screen.
