Student Health and Human Services Believes:

SHHS operates within a set of five core beliefs. Everything the Division undertakes is grounded in these core beliefs including our vision and our mission.

- Students who are given equitable access to appropriate supports have the ability to learn and graduate.
- Safe and healthy environments promote student success.
- Everyone is responsible for contributing to a system of holistic supports.
- Support systems work when they are inclusive, comprehensive, and integrated.
- Parent and family support is vital to student success.

The Office of Educational Services (OES) consists of six Divisions: Beyond the Bell, Food Services, Office of Environmental Health and Safety, Procurement Services, Student Health and Human Services, and Transportation Services.

Our Mission

To serve the academic, social-emotional, and physical needs of every student, so that teachers can teach and students can learn.

Our Vision

To be the leader in delivering a safe, healthy, and nurturing learning environment where all students graduate ready for success.
