

LOS ANGELES UNIFIED SCHOOL DISTRICT

**DISTANCE LEARNING INSTRUCTIONAL MINUTES
FALL 2020 SCHOOL YEAR**

Teachers have a 6-hour work obligation, 5 hours and 15 minutes of which will be structured by a school’s bell schedule. Most schools will hours will be 9:00 a.m. – 2:15 p.m., but please check with your child school as each school may modify the schedule to meet the unique instructional program of that school.

Each teacher will provide every family with a schedule of live instruction, so that families may plan ahead. Instructional minutes will be a combination of live, synchronous instruction, and independent asynchronous learning.

Early education programs run a minimum of 180 minutes of instructional time with 45-minute live instruction sessions during the day. Adult education programs maintain their normal class hours and have a mix of live instruction and independent work within each class period.
