QUALITY PROGRAM

Los Angeles Unified is excited to offer in-seat Pre-K Summer School for the District's youngest learners to prepare them for Kindergarten. This summer program, at selected sites, will engage your child in discovery and exploration using an insect-themed unit of study.

Class begins at 8:30am and pick up is at 12:00noon. Students will be collaborating in many fun activities that develop cognitive and social emotional skills. Enroll your child today and take advantage of this free enrichment program.

For more information, please contact your local district director.
