PURPOSE: The purpose of this reference guide is to provide school staff with directions for completing the online California Department of Education School Library Survey for the 2017-2018 school year. All schools must complete the survey.

MAJOR CHANGES: This reference guide replaces and updates REF-6621.2, titled California Department of Education School Survey, 2016-2017, dated March 14, 2018, to provide directions on completing the newly revised survey.

BACKGROUND: Education Code Section 18122 directs local governing boards to report to the California Department of Education (CDE) on the condition of school libraries. CDE created this online data collection survey to meet the Education Code requirement and to develop an accurate picture of the condition of school libraries across the state.
