This step-by-step video tutorial will guide end-users through the use of the Destiny Resource Manager application.

In this tutorial, you will learn how to:

- Login to Destiny Resource Manager
- Search the resource catalog
- Check out resources
- Check in resources
- Reset the screen
- Transfer resources
- Change the home location
- Run various reports: checkout and fines, item status, patron barcode report and the resource checkout summary

Requirements:

- PC or MAC
- A web browser such as:
  - Google Chrome
  - Internet Explorer
  - Mozilla Firefox
  - Safari
- An Internet Connection
- A Barcode Scanner
- Full Destiny Access

**NOTE:** If using an iPad and Bluetooth scanner, please refer to the Bluetooth Pairing Instructions before circulating.
**STEP 1: LOGIN TO DESTINY**

1. Open a web browser
   - Google Chrome
   - Internet Explorer
   - Mozilla Firefox
   - Safari

2. In the address bar, type the following URL and press the “Enter” key on the keyboard:
   - http://lausd.follettdestiny.com

3. To find your school do one of the following:
   a. In the “Search for Site Name” field, type in the name or location code of your school and press the “Enter” key on the keyboard or click on the “Go!” button OR
   b. Click on the “Green Bar” associated to your school group (e.g. Middle School)
      Locate your school’s link, click on the “Login” button, and use your LAUSD Single-Sign on (SSO)
STEP 2: CATALOG TAB

- Once you’ve logged in, you will see five tabs: “Catalog”, “Circulation”, “Reports”, “Back Office” and “My Info”

RESOURCE SEARCH OPTION

- On the left-side of the screen, you will find the “Resource Search” option
- On the right-side of the screen, there are three (3) sub-tabs: “Search”, “Browse Resources”, and “Item Categories”

SEARCH SUB-TAB

A. Search for Resources and Items

“Find all” — search all resource ITI cataloged items

1. Click on the drop-down menu to browse for and locate specific items
“Where Resource” -- allows a Boolean type search

1. Click on the drop-down menu to search for a resource or an item by using one of the following:
   - Displayable Name *(Resource)*
   - Barcode *(Item)*
   - District Identifier *(Item)*
   - Purchase Order *(Item)*
   - Serial Number *(Item)*

2. Clicking on the “Contains” drop-down menu allows you to specify the type of resource details you want to search
3. Clicking in the blank field allows you to type in or scan a specific resource to search
4. You have the option to further limit your resource search by selecting any of the following:
   - Home Location
   - Custodian
   - Funding Source
   - Department
   - Purchase Price
   - Date Acquired

5. Once you have entered your search parameters, click the “Search” button

![Image of Destiny Resource Manager: Full Access](image)

**BROWSE RESOURCE SUB TAB**

**NOTE:** The types of resources you have in your catalog will be indicated by the appearance of a clickable blue hyperlink

1. Click the “Browse Resources” sub-tab located on the right
2. To search items, you have the option to select the active hyperlinks to check the available resources.
3. Once you click on the resource, you are able to view:
   - The resource
   - The number of items available

**NOTE:** The amount available should always be zero. All resources should be checked out to patrons, (e.g. student or principal) during the school year.

4. Once a resource is clicked on, you are able to view two sub tabs: “Resource Details” and “Items”

5. The “Resource Details” sub tab will allow you to view details

6. The “Items” sub tab will allow you to view:
   - Barcode
   - Status
   - Condition
   - Home Location

**NOTE:** To go back in Destiny, use the BREADCRUMBS trail—the Internet back button is not a viable option while working in the Destiny application.
TRANSFER RESOURCES OPTION

1. Click on the “Transfer Resources” option located on the left-side of the screen
2. To the right-side there are three (3) sub tabs: “Track”, “Upload” and “Notices”

   a. Track — Enables resource managers to track completed incoming transfers, outgoing transfers and completed outgoing transfers. For a detailed view of each of the above actions, click on the “View” icon to see the specific details regarding the transfer
   b. Upload — Enables resource managers to transfer resources from one site to another by either scanning one barcode at a time OR by uploading a list of barcodes into the application.
   c. Notices — Enables communications through the Destiny application regarding impending transfers to the receiving school

NOTE: To stop a resource transfer before the incoming school receives it, click on the “View” icon then click on the “Stop Transfer” button. This is done from the “Track Resources” page on the “Outgoing Transfers” section.
Conducting a Resource Transfer (To District Warehouse Facility ONLY)

**NOTE:** The District Warehouses are listed in Destiny as: ITAM Beaudry, ITAM Pico Rivera and ITAM Soto.

1. Click on the “Upload” sub tab
2. Click on the “To” drop-down menu and select the site which will receive the transferred items
3. Click on the “Transfer” drop-down menu and select “by Barcode”
   - by Barcode — Enables resource managers to scan one barcode at a time OR upload a list of barcodes
   - by List — Option **NOT** recommended
   - by Item Category — Option **NOT** usable

4. In the “Create a barcode list” field, type or scan the barcode of the book. *(If the number was manually entered, click on the “Add” button. Scanning the barcode will automatically add it to the list.)*
5. Once all the barcodes have been typed or scanned in, click the “Transfer” button to upload the resource(s)

**NOTE:** **DO NOT** scan too quickly when scanning one barcode at a time, as the screen needs time to refresh.
6. To transfer resources in bulk, use the “Select a barcode file” option. Follow the steps listed below:

a. Open a text application such as Notepad (PC) or Text Edit (Mac)
b. Save the .txt file with a name associated with the transfer (e.g. resource transfer_to_VAAS.txt)
c. Scan all of the resource barcodes to be transferred into the file and save it once completed
d. On the “Transfer Resources...” screen, select the “Browse” button next to the “Select a barcode file” field
e. Find and select the newly created .txt file. (it will appear on the screen)
f. Click on the “Transfer” button to upload the resource(s)

Receiving a Resource Transfer (From one of the District Warehouse facilities)

To receive a resource transfer, you must be logged in to your Destiny site. In the upper-right corner you will see an icon of a red flag next to a button with an exclamation mark.

NOTE: the red flag icon denotes an incoming resource transfer in the queue.
1. Click on the “Red flag” link. On the “Track Resources” screen, you will see a list of resources awaiting processing.

2. Click on the “View” icon to see a detailed list of the resources in the queue and to receive the transfer.

**NOTE:** Once the view icon has been clicked, a message with a red box around it will appear notifying you of the change of ownership of the devices (from the outgoing school to the incoming school).

**Receiving the Resources:**

1. On the “Transfer Resources” screen, click on the “Red Flag” icon located at the top of the navigation next to the “My Info” tab.
2. Click on the “View” icon to see a detailed list of the resources in the queue and to receive the transfer
3. Click inside the “Scan or enter…” field and either type the resource barcode then click the “Receive” button or scan each resource barcode one at a time (This is the **Recommended** method of receiving resources)
4. Click on the “Receive All” button (This is **NOT Recommended** method for receiving resources)
5. Click on the “Receive” button to the right of the resource to accept one item at a time

**UPDATE RESOURCES OPTION**

**Changing the Home Location**

1. Click on the “Update Resources” option,

**NOTE:** Be sure that you are working under the “Individual Update” sub tab.

2. Place your cursor in the “Resource Barcode” field, and either type or scan the resource barcode number
3. Click on the “Select Item” field drop-down menu and select the “Home Location” option
4. A “to” field will appear, click on the drop-down menu and select a new home location from the options

**NOTE:** At the bottom of the page, you will see the “Add Historical Note” field. Per the ITI group, this field will **ONLY** be used for students who are not currently showing in Destiny (e.g., new students to the District). If and when you encounter this, please input the following information into the field:
1. **Patron’s name (Last name, First name)**
2. **Birthdate (mm/dd/yyyy)**
3. **Grade level (e.g., grade 8)**

Example: Doe, John, 02/20/2001, Grade 8

5. Once all the information has been entered, click on the “Update” button.
6. A “Most Recently Updated” note will appear at the bottom of the screen. To check the history and verify that the changes were made, click on the “barcode number link” of the resource, which will take you to the “Resource Status” page. You will see the update made to the “Home Location” and the “Historical Notes” field.
STEP 3: CIRCULATION TAB

You will be able to view the following:

STEP 5: DOCUMENTING THE BUSINESS PRACTICES

Once the resource has been declared “Lost” or “Stolen”, it is incumbent upon the school’s resource instructional device manager (IDM) to document the following in the Destiny application:

- **Cost Center** — This number is comprised of your school’s location code plus three additional digits (see the LAUSD website for the school’s cost center number)
- **Service Request Number** — This is the number assigned to the ITD service request you generate regarding the lost/stolen resource
- **Police Report Number** — This is the number provided by the LASPD once they have been notified of the theft/loss
- **Police Report Date** — This is the date the report was filed
- **Model Item** — This is the device type
- **Grade Level** (*for ITI devices*) — The grade for which the device was provisioned

To notate the above fields, please follow the steps documented below:

1. On the “Circulation” tab, click on the “Item Status” option
2. Click inside the “Find Item” field and type in the barcode ID for the Lost or Stolen resource
3. The resource details will be displayed. Click on the “Edit Item” button located on the right-side of the screen
4. Under the “Item Categories”, towards the bottom of the screen, enter the information into the following fields:
   a. **Cost Center**: Type in your school’s cost center ID number into the field (this can be located on the LAUSD website on the school finder page for your site)
   b. **Service Request Number**: Type in the service request number from the ITD Service Request you generated once the resource was lost/stolen (this can be found in the email that is automatically generated once the ticket is submitted)
   c. **Police Report Number**: Type in the police report number in the field (this should be on the copy of the report that the reporting officer provides)
   d. **Model Item** – Type in the type of device
   e. **Grade Level (for ITI devices)**: Type in the grade level for which the device was provisioned (this should correlate to the student’s grade)
