__Title:__ Selection of Textbooks for Algebra I, Algebra II, and Geometry

**Number:** MEM-6489.0

**Issuer:**
Dr. Ruth Pérez
Deputy Superintendent of Instruction

Gerardo Loera, Chief Academic Officer
Office of Curriculum, Instruction and School Support

**Date:** April 7, 2015

(Due: April 30, 2015)

**Purpose:** This Memorandum is intended to provide schools and Education Service Centers (ESCs) with assistance and procedures regarding the newly adopted Algebra I, Algebra II, and Geometry textbooks.

**Background:** The State Board of Education (SBE) adopted Grades K-8 Mathematics programs on January 15, 2014. Unlike the State-adopted process outlined above for Grades K-5, California Education Code §60400 requires a Board-approved process for adoption that includes a legal compliance review. Therefore, for Grades 9-12, the purpose of the Committees is to review the publisher-submitted textbooks and recommend which ones should be adopted by the Board of Education because they meet the learning needs of LAUSD students.

The evaluation rubric combined the California County Superintendents Educational Service Association’s Curriculum & Instruction Steering Committee’s Math Curriculum Evaluation Toolkit and the Council of the Great City School’s High School Publishers’ Criteria for the Common Core State Standards for Mathematics. This evaluation resource formed a “lens” to examine various areas of content within the materials while establishing a founding of Focus, Coherence and Rigor. Ensuring alignment to the Mathematic Framework, the Toolkit was organized into four categories: Mathematics Content/Alignment to Standards, Program Organization, Assessment, and Universal Access.

On April 14, 2015, the Board of Education adopted the Mathematics textbooks and materials listed in Attachment A for use in District high schools. The Board approved the selection of a single textbook per course per school.

**Instructions:** Each high school is to form a committee consisting of an Administrator, the Mathematics Department Chairperson, the Mathematics instructors, and other staff and stakeholders as the school deems appropriate. It is recommended that staff qualified to represent English Learners and Students With Disabilities be present to ensure their equal access to a quality Mathematics program.
Middle schools offering Algebra I and Geometry should follow the procedure outlined above for high schools.

In addition, to proactively safeguard against potential conflicts of interest, each committee member must complete Form 700 and the Conflict Management form (Attachment C). Individuals with a conflict of interest may not serve on the committee. The original completed Form 700 should be submitted to the Ethics Office by the principal. The principal should keep the Conflict Management form on file.

This committee will review the adopted materials for each Mathematics course and must reach consensus to select a single text for use by teachers in each course.

As part of the selection process, school committees must consider the disaggregated data of student performance on the Mathematics CST, academic background and experience of the Mathematics instructors, the academic rigor of the textbooks, the appropriateness of the textbooks for English Language Learners, Standard English Learners, Students With Disabilities, and students identified as GATE, in addition to coverage of the Common Core State Standards in Mathematics (content and mathematical practices) with California additions in each textbook.

The ESCs will assist the high schools in the formation of these committees. Secondary Mathematics will provide the ESCs detailed reviews of the Board adopted textbooks to share with the schools. The ESCs will help the schools obtain examination copies of textbooks from the publishers. Publishers have been advised not to visit schools individually. Secondary Mathematics will coordinate any requested publisher presentations at the ESC.

Once the selection committee has made its choices, the principal will complete Attachment B, Selection of Algebra I, Algebra II, and Geometry Textbooks Checklist, and return it to Integrated Library & Textbook Support Services no later than Thursday, April 30, 2015. Orders will be placed for each school per the projected student enrollment in each grade level discussed at each school’s Textbook Order Roadshow meeting.

Principals in schools with year-round calendars must inventory existing Mathematics textbooks needs for July 1, 2015. If and when shortages are identified, ESC staff must work with traditional calendar schools to identify inventory that can be moved into year-round schools the first week of July or sooner, so that each student has a book for home and school use for the summer track. Since all schools will be receiving the new adoption as soon as orders and deliveries can be completed, traditional school staff should not hesitate to move inventory to year-round schools as needed.

SUBJECT: SELECTION OF ALGEBRA I, ALGEBRA II, AND GEOMETRY TEXTBOOKS CHECKLIST

We have reviewed the recommended choices using the following criteria:

☐ Data of student performance on the Mathematics disaggregated CST scores
☐ Data of student performance on the Mathematics periodic assessments
☐ Academic rigor of the textbooks
☐ Coverage of the Common Core State Standards – Mathematics with California additions and the Mathematical Practice Standards
☐ Appropriateness for English Language Learners, Standard English Learners, Students With Disabilities and students identified as GATE
☐ Data on years of faculty experience and certification
☐ Description of differentiated professional development support for faculty

Based on the above criteria, we have chosen only one textbook in each subject as indicated below:

**Algebra I**

☐ Core Connections, Algebra I College Preparatory Mathematics (CPM)
☐ Big Ideas Algebra I Big Ideas - Houghton Mifflin Harcourt.
☐ Springboard Algebra I The College Board

**Algebra II**

☐ Springboard Algebra II The College Board
☐ Core Connections, Algebra II College Preparatory Mathematics (CPM)
☐ Big Ideas Algebra II Big Ideas Learning (HMH)

**Geometry**

☐ Big Ideas Geometry Big Ideas Learning (HMH)
☐ Core Connections, Geometry College Preparatory Mathematics (CPM)
☐ Springboard Geometry The College Board

Please submit via school mail to Esther Sinofsky, Administrative Coordinator, esther.sinofsky@lausd.net or by fax to (213) 241-2560, no later than Thursday, April 30, 2015.
## Conflict Management

### Local Textbook Selection Committees

**Preliminary Conflict Analysis:** Before you begin participating on a selection committee, please answer the questions below to determine whether you have any potentially conflicting interests. Thank you!

### Potentially Conflicting Interests

1. Are you or any member of your family (including co-habitants) a current or former employee, consultant, contractor or board member of an entity that has contracted or is planning to contract with LAUSD in the instructional arena?
   - Yes
   - No
   
   If yes, please elaborate with specific identities, include additional pages if necessary. Example: Your spouse works for a textbook publishing company.

2. Do you or any member of your family (including co-habitants) own – directly or indirectly – a financial interest (including stock, stock options, or other securities) in any business entity that has contracted or is planning to contract with LAUSD in the instructional arena?
   - Yes
   - No
   
   If yes, please elaborate with specific identities, include additional pages if necessary. Example: Your child owns stock in a company that produces instructional materials.

3. During the past 12 months, have you or any member of your family (including co-habitants) received or been promised any salary, royalties, consulting fees, honoraria, gifts or loans from any person or entity (including any subsidiary, parent organization, or other affiliate) that has contracted or is planning to contract with LAUSD in the instructional arena?
   - Yes
   - No
   
   If yes, please elaborate with specific identities and dates, include additional pages if necessary. Example: You have served as a contributor, editor, author or other consultant for an instructional materials company.

4. Can you identify any other personal or professional affiliation you have that could create an actual or apparent conflict with your responsibilities for LAUSD’s selection committee?
   - Yes
   - No

   If yes, please elaborate with specific identities, include additional pages if necessary. Example: Your co-habitant is the board president for a non-profit that lobbies LAUSD officials on curriculum and instruction.

5. Do you understand that leading up to and throughout your service on LAUSD’s committee that you or any member of your family (including co-habitants) may not have any economic interest in any entity that is under consideration by LAUSD in the instructional arena? As a general rule, an economic interest is any interest that is distinguishable from an effect on the general public.
   - Yes
   - No

I certify that the information I have provided in this form is accurate to the best of my knowledge for the date I have signed, and I commit to providing an updated form whenever there is a material change to this information.
