

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

TITLE: Transfer of Obsolete English Language Arts (Elementary and Secondary) and English Language Development Textbooks and Related Materials to District Warehouse

NUMBER: REF-6707.1

ISSUER: Frances Gipson, Ph. D., Chief Academic Officer
Division of Instruction

Esther Sinofsky, Ph.D., Administrative Coordinator
Integrated Library and Textbook Support Services

DATE: September 13, 2017

PURPOSE: To provide guidelines and instructions for the smooth and efficient transfer of obsolete English Language Arts (ELA) and English Language Development (ELD) textbooks as newly adopted ELA/ELD textbooks are implemented.

MAJOR CHANGES: Co-located schools are encouraged to consolidate their transportation requests to schedule one pick-up per location.

BACKGROUND: During the 2016-17 school year, the District evaluated, adopted, and purchased new California content standards-aligned ELA textbooks for Grades K-5 with 6th grade inclusive, grades 6-12 ELD, and 9-12 ELA textbooks. To ensure *Williams* sufficiency, schools must retain the former ELA and ELD instructional materials until receipt and distribution of the new ELA and ELD instructional materials is completed. Once the newly-adopted ELA/ELD textbooks and instructional materials have been implemented, all previous materials must be sent to the District Warehouse per the instructions below.

INSTRUCTIONS: The principal or designee:

- Should wait until after *Williams* sufficiency is declared for the entire District before removing previously adopted materials.
- Pack the books in boxes (which may be ordered from the Integrated Library & Textbook Services (ILTSS) website www.iltss.org → click on textbook → Click on box Request Form.
- Mark the boxes as obsolete ELA/ELD textbooks (see Attachment A for a label template that may be photocopied and taped to each box).
- Complete and submit the Transportation Order Form via fax (see Attachment B).
- Inventory received from school sites will be removed from the school's *Destiny* inventory by ILTSS staff. Procurement will negotiate the sale of obsolete instructional materials, not the individual sites.
- Refrain from storing pallets outdoors during the inclement weather season. If pallets are water damaged or have signs of insects and/or pests, the Truck Operations Unit **will not** remove the pallet from the site.

Local District Superintendents
Local District Administrators
of Instruction
Local District Directors
Principals

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

- Send only the specified books to the textbook warehouse. Please refrain from sending non-instructional materials to the warehouse for disposal, e.g. trash, old cum files, clothing, electronics, etc.
- Refer to the Local District pick up schedule (See Attachment C). ILTSS and Truck Operations will coordinate the pick-up of obsolete materials by Local District. During the pick-up window, schools should box up, prepare, and fax the transportation order form. Please note that if a delay occurs, ILTSS and Truck Operations will make every effort to inform sites of the delay.
- Arrange one pick up per physical school address. (E.g. co-located schools, magnet centers, and small schools).

ASSISTANCE: For assistance or further information, please contact Integrated Library & Textbook Services at (213) 241-2733.
