

Leaving home for a bit? Not a problem.

With our Away From Home Care program, your benefits come along for the ride.

As an Anthem Blue Cross member living in California, you have access to benefits across the country with Away From Home Care guest membership. The program provides benefits for members and their dependents through a participating Blue Cross and Blue Shield health maintenance organization (HMO) when they're away from home for 90 consecutive days or more.

It's a great way to make sure you and your dependents have ongoing access to doctors and hospitals in your plan's network so you get the same savings you'd get in your home service area.

The following states participate in the guest membership program.

Arizona	Georgia	Maine	New Hampshire	Oklahoma
Arkansas	Hawaii	Maryland	New Jersey	Pennsylvania
Colorado	Illinois	Massachusetts	New Mexico	Texas
Connecticut	Indiana	Minnesota	New York	Virginia
Delaware	Kentucky	Missouri	North Carolina	Washington DC
Florida	Louisiana	Nevada	Ohio	Wisconsin

The states listed may have regions that aren't covered, so members could be denied coverage. To find out if your region has covered providers, call 1-800-827-6422.
