### **Dear New Employee:**

An important aspect of employment with the Los Angeles Unified School District (LAUSD) is the employee benefits program. However, enrollment is not automatic, and you are required to make elections for your medical, dental, and vision plans.

To enroll in health benefits, you must complete the Health Benefits Enrollment Form and submit it to Benefits Administration. The form and instructions are available on our website [benefits.lausd.net](http://benefits.lausd.net) under “[Forms & Publications](#).” If you are verified as eligible, coverage will begin on the first day of the month following receipt of your completed form.

Please visit [benefits.lausd.net](http://benefits.lausd.net) to view the following information. Our website includes various publications such as:

- Eligibility rules for active employees and dependents
- Medical, Dental, and Vision plan information such as summary of benefits and contact details
- Healthcare and Dependent Care Flexible Spending Accounts
- Basic and Optional Supplemental Life Insurance
- Retirement savings plans for 403(b) and 457(b) tax sheltered annuities and Roth 457(b)

If you have any difficulty accessing the website, do not have web access, or have questions not addressed on the website, please contact our office by calling (213) 241-4262 or emailing [benefits@lausd.net](mailto:benefits@lausd.net). Benefits representatives are available to assist you from 8:00 a.m. to 5:00 p.m., Monday through Friday.

Sincerely,

Benefits Administration
