

Save time and take control with the Optum Financial mobile app

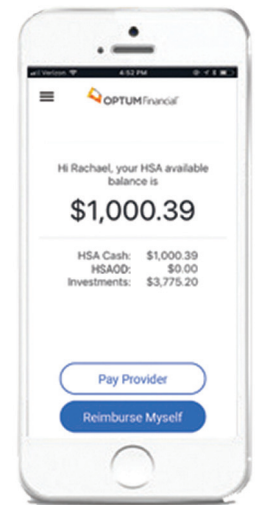

Optum Financial is driven to provide technology that makes it easier for participants to leverage tax advantages and realize savings. Our mobile app was meticulously researched, designed and tested to deliver an intuitive user experience with simplified access to account information and payments.

We're proud to provide continuous, significant investments in technology to ensure cutting-edge solutions are at participants' fingertips.

Simplify your mobile experience

- ✔ **Stay on top of your accounts**
Check your balances, provider payments and claims activity.
- ✔ **Fast-track your payments**
Send payments to your providers or request reimbursements with just a few taps. Our optical recognition feature digitally reads your receipt to save you even more time.
- ✔ **Eliminate documentation hassle**
Our painless photo upload process allows clear and accurate submission of claim documentation in seconds.
- ✔ **Make your account work smarter**
Set up direct deposit, enter recurring claims, add family members and more. If you have a health savings account (HSA), you may also choose to access mutual funds investment options.*
- ✔ **Get instant answers**
View FAQs and eligible expenses. If you need more help, connect to our live expert care team with just one tap.

Investments are not FDIC-insured, are not guaranteed by Optum Bank and may lose value.
