\$4.83 / 5 (package)

Clinical Thermometer - Dots
Product ID: 4758568019
\$12.99 / 100 (box)

STOP the spread of GERMS! Use these tips to stay healthy during the flu season:

- Cover your mouth and nose with a tissue or cough or sneeze into your upper sleeve, not into your hands. Throw away the used tissue.
- Keep hand sanitizers in classrooms and offices in case soap and water are not readily available.
- Avoid unnecessary close contact persons if you or they are sick.
- Wash your hands often. Follow these steps when washing hands.
 1. Use warm running water and soap.
 2. Rub all areas of hands and wrists in a circular motion briskly for about 20 seconds. Remember to clean under fingernails.
 3. Rinse thoroughly under running water.
 4. Dry using a clean paper towel.
 5. Use a paper towel to turn off the water faucet and to open the door when leaving the room.
 6. Dispose of the paper towel.
